GREAT IMPROVEMENT IN SEWING MACHINES.

Empire Shuttle Machine. Patented February 14th, 1860.

Salesroom, 510 Broadway, New Yor

/ INHIS Machine is constructed on an entirely new principal of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be Simplicity and Perfection Combined.

The following are the principal objections urged against Sewing Machines:—
1.—Excessive fatigue to the operator. 2.—Liability to get out of order.

3.—Expense, trouble and loss of time in re-

paring.
4.—Incapacity to sew every discription of -Disagreeable noise while in operation.

5.—Disagreeable noise while in operation.
The Empire Sewing Machine is exempt from all these objections.
It has a straight needle perpendicular action, makes the Lock or SHUTTLE STITCH, which will neither rip nor ravel, and is alike on both sides; performs perfect sewing on every description of material, from Leather to the linest Nansook Muslin, with cotton, linen silk thread, from the coarsest to the finest

silk thread, from the coarsest to the finest Having neither CAM nor COG WHEEL,

and the least possible friction, it runs as smooth as glass, and is

EMPHATICALLY A noisless MACHINE! It requires fifty per cent. less power to drive it than any other Machine in the market. A girl of twelve years of age can work it steadily, without fatigue or injury to health.

Its strength and wonderful simplicity of construction, render it almost impossible to get out of order, and is guaranteed by the company

to give entire satisfaction.

PRENCH'S
CONICAL WASHING MACHINES! The mest simple durable convenient and ecoomical article ever invented for the purpose.
Will do the washing of an ordinary lamily before before breakfast, not only saving time

but clothes By strictly following the printed directions, which are simple and easy, it will wash, at one time, six shirts, or two dozen small articles, in about six or seven minutes, or their equivalent. By all the ordinary methods of cleaning fine fabrics, such as laces, &c., the greatest care is required, while with this machine the most delicate articles can be washed without

the possibility of damage.

These results are produced by the constant reaction of the suds while the machine is in motion. Families, laundries, hotels, boarding house:

Families, laundries, hotels, boarding houses, hospitals, asylums, boarding schools, on ships and on steamers, and in the army, who have machines in use, have sent in their testimonials voluntarily, and the enconiums of the press are very numerous, some of which I have published in a neat pamphet form.

All I ask of the public is a careful examination of this machine before purchasing of others. General Depot, 419 Broadway, corner of Canal street, New-York.

TYO THE PEOPLE OF THE UNITED STATES.

IN the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental miscry arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be lead; for diseases of

the body must invariably affect the mind.
The subscribers now only ask a trial of Dr. J. Lovee Dods' Imperial Wine Bitters! From all who have not used them. We chailenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debitty, and for Purifying and Emriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger the other wines; warming and invisorating the whole system From all who have not used them. We chalwarming and invigorating the whole system from the head to the feet. As these bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Discascs and Weakness peculair to Females, where a tonic is required to strengt hen and brace the system. No lady, who is subject to lassitude and faintness, should be without them, as they are requiriting in their certification.
