Wives and Sisters of our Volunteers. You cannot put into the Knapsacks of your Husbands and Brothers, a more valuable or more necessary gift than a supply of this

Extraordinary Military Salve. The lonely sentry walking his rounds at night, exposed to driving rains and chilling night air, is often seized with most distressing PAINS, Cough and suffocating Hoarseness, first symptoms of quick consumption; but if supplied with **Holloway's Pills** and **Holloway's Ointment**, all danger is averted, a few Pills taken night and morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the severest cough and stop the most distressing or Dangerous cough. Therefore we say to the whole Army,

Soldiers Attention!! See to your own health, do not trust to the Army supplies, although most valuable—These Pills and Ointment have been thoroughly tested, they are the only remedies used in the Army, and have been found, for over forty years, Doctor Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these **Great Remedies.** Do not let the adulterated and cheap imitations over a ton in weight of the Ointment in a single day. In the more, cannot frequently get succor in the moment of need, whereas if our brave men have only put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

PROFESSOR DEGRATH'S ELECTRIC OIL.

Wonderful Cures on Man and Beast!

A VALUABLE MEDICINE!

I PROPOSE to cure, almost instantaneously, individuals afflicted with Deafness, Headache, Neuralgia, Chills Fever, Ague, Rheumatism, and all Sores and Pains.

I propose to check and effectually dissipate more acute and pain, and to accomplish nearer and more perfect equilibrium of all the circulatory fluids in the human system, than can be effected by any other or all other methods of medical aid in the same space of time, the unassisted themselves being judges.

I do not propose to cure every disease, but all such are curable by my combination of medical appliances. My Electric Oil operates on chemical and electric principles, and is, therefore, applicable to the cure of natural restoration of any organic derangement, arising from an improper circulation of Nervous fluid.

I want the masses to join in this matter—the well as the sick, because if these things are so, all are alike interested.

N. B. Please inform me of any case of failure to cure, in from half hour to three weeks, as I wish to cure or charge nothing.

The Columbus Star remarks: "On Saturday, an old gentleman named Wm. C. Osborne, well known in our city, who, from rheumatic affections, has not been able to walk or use his hands sufficient to feed himself, for more than ten years, was brought to Prof. De Grath on the street, while in the presence of a large assemblage of people, he applied Dr. Grath's Electric Oil to one arm and shoulder. He was immediately enabled to raise his hand to his head and scratch it, a thing he said he had not done before in twelve years."

The New Hampshire Patriot says: "During the present week, no less than six of our friends, who have been induced to try Prof. De Grath's Electric Oil for Rheumatism and Deafness, in consequence of having seen this presentation advertised in our columns, have called upon us to state the result of experiments. These persons assure us that their Rheumatic pains have been entirely cured by a few applications of De Grath's Electric Oil, and they recommend its use to all who are afflicted with any of the diseases which it is designed to cure."

It seems that Rheumatism, Deafness, Neuralgia, Swollen and Stiff Joints, and other complaints to which we are all subject, have lost their terrors. Prof. De Grath's Electric Oil is warranted to relieve any case in a short space of time, and with a trivial expense. It always cures Scratches, Sprains, Galls and Spints on horses.

TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1888, the undersigned for the first time offered for sale to the public **Dr. J. Beeve Dods' Imperial Wine Bitters,** and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance to draw strict attention to the least and most trifling bodily ailment should be had; for diseases of the body must invariably affect the mind.

The subscribers now ask a trial of **Dr. J. Beeve Dods' Imperial Wine Bitters!** From all who have not used them, we challenge the world to produce their equal.

These Bitters for the cure of **Weak Stomachs, General Debility, and for Purifying and Enriching the Blood,** are absolutely unsurpassed by any other remedy on earth. To be assured of this it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than the other wines; warming and invigorating the whole system from the heart to the feet. As these bitters are tonic and alterative in their character, they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and promoting perspiration. They are also excellent for Diseases and Weakness peculiar to Females, where a tonic is required to strengthen and brace the system. No lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

These Bitters will not only cure, but prevent disease, and in this respect are doubly valuable to the person who may use them.

For Incipient Consumption, Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Rheumatism, Piles, &c.

DR. DODS' CELEBRATED WINE BITTERS ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of brandy and Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only cure, but prevent disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. They are entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should be diligent in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all affections of the Head, Sick Headache, or Nervous Headache, **Dr. Dods' Imperial Wine Bitters** will be found to be most salutary and efficacious.

FEMALES. The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to be benefited.

Dr. J. Beeve Dods' Imperial Wine Bitters Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Beeve Dods' Celebrated Imperial Wine Bitters, had been tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing, disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve of **Dr. J. Beeve Dods' Imperial Wine Bitters.**

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breakfast.

Dr. J. Beeve Dods' Imperial Wine Bitters PRICE \$1 PER BOTTLE; 6 FOR \$5.

NOW ARE Dr. Hurd's Preparations Good?

The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. William B. Hurd is an eminent Dentist of Brooklyn, Treats of the Dental Association, and his preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburg, questions their excellence, while eminent country dentists and druggists recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the Brooklyn Daily Times says: "We are very much pleased that our friend Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are, and they are not to be tested by his own use."—Dr. Hurd writes:—"I found your Tooth Powder so good that my family have used it all up. We find it the best we ever used. I shall feel obliged if you will send me a supply at the Museum at your convenience, with bill."

But their cost is so small that every one may test the matter for himself.

Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.
