FOURTH OF JULY .- The City Councils of Lancaster, at their meeting on Tuesday evening of last week appointed a joint comittee from each body to make necessary preliminary arrangements for celebrating the approaching Anniversary of our National Independence. The Committee consists of Maj. Charles M. Howell, Captain S. S. Rathvon, Charles F. Rengier, John R. Russel, William R. Wilson and John R. Bitner.

What are we to have in Marietta on the Fourth. Anything. We hear of nothing. Where are the friends of the "Wild Cat Run" celebrations. Come young men bestir yourselves and have something worthy of the stirring times. Come let us see what patriotic young patriot will take the initiative step. This, of all other fourths since 1812, should be properly observed. There is time enough yet if the right kind of material lay hold.

It may seem strange that llolloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humours from the system. This medi-cine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine. Volunteers Attention! Indiscretion of Youth.
