GREAT IMPROVEMENT IN SEWING MACHINES. Empire Shuttle Machine. Patented February 14th, 1860.

Salesroom, 510 Broadway, New York. THIS Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be Simplicity and Perfection Combined.

The following are the principal objections urged against Sewing Machines: 1.-Excessive fatigue to the operator. 2.-Liability to get out of order. 3.-Expense, trouble and loss of time in repairing. 4.-Incapacity to sew every description of material. 5.-Disagreeable noise while in operation. The Empire Sewing Machine is exempt from all these objections.

It has a straight needle perpendicular action, makes the lock or shuttle stitch, which will neither rip nor ravel, and is alike on both sides; performs a perfect sewing on every description of material, from Leather to the finest Nansook Muslin, with cotton, linen silk thread, from the coarsest to the finest number.

Having neither CAM nor COG WHEEL, and the least possible friction, it runs as smooth as glass, and is EMPHATICALLY A noiseless MACHINE! It requires fifty per cent. less power to drive it than any other Machine in the market. A girl of twelve years of age can work it steadily, without fatigue or injury to health.

Its strength and wonderful simplicity of construction, render it almost impossible to get out of order, and is guaranteed by the company to give entire satisfaction.

We respectfully invite all those who may desire to supply themselves with a superior article, to call and examine this unrivalled Machine.

But in a more special manner do we solicit the patronage of Merchant Tailors, Dress Makers, Coat Makers, Corset Makers, Vest Makers, Gaiter Fitters, Pasteloon Makers, Shoe Binders, Shirt and Bosom Skirt Manufacturers, Religious and Charitable Institutions will be liberally dealt with.

PROFESSOR DEGRATH'S ELECTRIC OIL.

Wonderful Cures on Man and Beast

A VALUABLE MEDICINE!

I PROPOSE to cure, almost instantaneously, all diseases of the head, neck, chest, stomach, nerves, neuralgia, chill fever, ague, Rheumatism, and all Sore and Pains.

I propose to check and effectually dissipate more ache and pain, and to accomplish nearer to every cure, in the production of all circulating fluids in the human system than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.

In every disease, of every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on "chemical and electric principles, and is, therefore, applicable to the cure of natural restoration of any organic derangement, arising from an improper circulation of Nervous vital fluid.

I want the masses to join in this matter—the well as the sick, because if these things are so, all are alike interested.

Dr. DeGrath's Electric Oil is a case of failure to cure, in from half hour to three weeks, as I wish to cure or cure nothing.

The Columbus Sun remarks: On Saturday, an old gentleman named Wm. C. Osborne, of this city, who has been afflicted with rheumatism, has not been able to walk or use his hands sufficient to feed himself, for more than ten years, was brought to Prof. DeGrath on the street, where in the presence of a large number of people, he was cured by DeGrath's Electric Oil to an arm and shoulder. He was immediately enabled to raise his hand to his head and scratch it, a thing he said he had not done before in twelve years.

The New Hampshire Patriot says: During the present week, no less than six of our friends, who have been induced to try Prof. DeGrath's Electric Oil for Rheumatism and Deafness, in consequence of having seen this preparation in the columns of the Standard, have called upon us to state the results of experiments. These persons assure us that their Rheumatic pains have been entirely cured by a few applications of DeGrath's Electric Oil, and they recommend its use to all who are afflicted with any of the diseases which it is designed to cure.

It seems that Rheumatism, Deafness, Neuralgia, Swollen and Stiff Joints, and other complaints to which we are all subject, have lost their terrors, and Prof. DeGrath's Electric Oil is warranted to relieve any case in a short space of time, and with a trifling expense. It always cures Scratches, Sprains, Galls and Splints on horses.

PROF. CHARLES DE GRATH, Philadelphia, Pa.

None genuine without signature of Prof. C. DE GRATH. Labels signed in writing. Principal Depot No. 217 South Eighth St. Philadelphia. Country dealers and druggists can be supplied wholesale and retail. Price 25 cents, 50 cents, and \$1 per bottle.

Try everything else; give this one simple trial.

Caution.—Be careful to ask for and get DeGrath's Electric Oil, as worthless imitations abound.

There are numerous imitations sprung up on the reputation my article has acquired. The public must beware. They are worthless.

For sale by all dealers and druggists. Principal office 217 South 8th street, Phila.
