Great Books in Press!

Ihrilling Incidents of the Great Rebellion; Or, the Heroism of our Soldiers & Sailors, ILLUSTRATED.

The critics and the public are right in predicting that this will surpass, in graphic narrative, exciting interest, and extensive popularity, all other histories of the War for the Union. Its theme will be the heroic daring, patient suffering, and hair-breadth escapes of our soldiers and sailors, and its incidents will form the theme of conversation at innumerable firesides for years to come. It will contain, in addition to its stirring details, the philosophical Analysis of the Causes of the War by John Lothrop Motley, Ll.D., Author of The Rise of the Dutch Republic," etc., the dates of all the important events from the John Brown raid, and an accurate and revised account of the principle battles, with engravings. VOLUME, LARGE 12 MO. PRICE, \$1:25.

PROFESSOR DEGRATH'S ELECTRIC OIL. Wonderful Cures on Man and Beast

A VALUABLE MEDICINE!

A VALUABLE MEDICINE!

I PROPOSE to cure, almost instantaneously, individuals afflicted with Deafness, Headache, Neuralgia, Chill Fever, Ague, Rheumatism, and all sores and Pains,
I propose to check and effectually dissipate more ache and pains, and to accomplish nearer and more perfect equilibrium of all the circulating fluids in the human system, than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.
I do not propose to cure every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on chemical and electric principles, and is, therefore, applicable to the cure or natural restoration of any organic derangement, arising from an improper circulation of Nervous

ing from an improper circulation of Nervous vital fluid.

I want the masses to join in this matterthe well as the sick, because if these things are so, all are alike interested. N. R. Please inform me of any case of failure to cure, in from half hour to three weeks,

ure to cure, in from half hour to "". Tree Weeks, as I wish to cure or charge nothing.

The Columbus Sun remarks: On Saturday, an old gentleman named Wm. C. Osborne, well known in our city, who, from rheumatic affections, has not been able to walk or use his hands sufficient to feed himself, for more then ten years, was brought to Prof. De Grath on the street, where in the presence of a large assemblage of people, he applied De Grath's Electric Oil to one arm and shoulder. He was immediately enabled to raise his hand to his head and scratch it, a thing he said be had head and scratch it, a thing he said he had

nead and accratch it, a thing he said he had not done before in twelve years.

The New Hampshire Pairiot says: During the present week, no loss than six of our friends, who have been induced to try Prof. De Grath's Electric Oil for Rheumatism and Deafness, in consequence of having seen this prearation advertised in our colemns, have called upon use a test the gratia of means. retained upon us to state the result of experiments. These persons assure us that their Rueumatic pains have been entirely cured by a few applications of De Grath's Electric Oil, and they recommend its use to all who are afflicted with any of the diseases which it is designed to cure.

designed to cure.
It seems that Rheumatism, Deafness, Neuralhia, Swollen and Stiff Joints, and other Complaints to which we are all subject, have lost their terrors. Prof. De Grath's Electric Oil is warranted to relieve any case in a short space of time, and with a trifling expense. It always cures Scratches, Sprains, Galls and Splints on horses.
