The Local Mariettian.

MARIETTA CAR TIME.—The several passonger trains leave "Upper-station" as follows: the morning train east at 7:15. The mail train, west at 11:23. The afternoon train east at 5:16. The evening train west at 6:55.

SATURDAY, AUGUST 30, 1862.

The delegate meeting will take place at the Town Hall School Room between the hours of 7 and 9 o'clock this evening. The County Convention will assemble on Wednesday next in Lancaster, when and where we hope an unexceptionable ticket will be settled, one upon which all good men can unite in supporting. Keep off-for the country's sake keep off-the old spavined political backs who have for years controlled the County Conventions of the Old Guard. Let such an Assembly ticket be formed as will command the admiration and respect of avery loyal voter.

The Concerts given by the "Marietta Harmonic Society" on Monday and Tuesday evenings last were a most complete success in every sense of the word. The Town Hall was crowded uncomfortably full on both occasions, yielding between 70 and 75 dollars .-The singing and playing was exquisitively fine and was recieved with deafening applause. A few "lifts" of this kind would enable the "Patriotic Circle" to do an immense deal of good.

The new issues of postage currency have made their appearance in our borough, Mr. Geo. II. Ettla, the attentive attache of the Adams' Express Company having brought a sample-ull that could be obtained at the time-from the Philadelphia Mint. They will soon find their way into general circulation. They are very prettily engraved upon paper like that upon which are printed the United States Treasury Notes. When they do get into circulation silver will follow as a matter of course.

Just as we are about going to press, we learn that Col. Nathaniel Burt has abandoned the getting up of his regiment in the short time allowed him, and thus the third Lancaster County Regiment is "laid on the table." The failure of Col. Burt's regiment should pet be a damper upon the enlistment of volunteers; for they not only have the advantage of going among drilled men and seeing service perhaps immediately, but they also receive all the bounties government and county, which have F. Rowe. been offered; besides, they share in the honors gained by the regiments into which they go. Let the volunteers who have been dishanded by the failure of Col. Burt, immediately take the opportunity of joining some one of the old Pennsylvania Regiments; it is the only way by which they can now escape a draught; and as for the question of time they will all come home together in less than nine months, having finished the rebellion. Enlist then, and fill up every company from Lancaster county to it fullest.

Mr. Hayes Smith the obliging conductor on the morning train to Colambia met with a very distressing accident in that borough on Wednesday last while stepping upon the engine, his foot slipped, and was crushed under the wheal, rendering amputation necessary. Mr Smith had been ruilroading for over twenty years, and this was his first

Postmaster Cassel that Ralph W. Lewis Charles W. Cady and Lewis Witemor have deserted, and urges their to effect arrangements to this effect.arrest and to have them sent to Cump Curtin, Capt. Tarbutton's Head Quarters. The letter does not say where the "Marietta Braves" are or anything about them.

Col. Burt's regiment will be accepted if full by the 3d of September, but the government will allow no bounty but will give the county credit for the men in the pending draft. No time can therefore be lost in filling up the ranks. Let every man and the recruiting officers be energetic, and the draft may yet be avoided. Later news announce the disbanding of this regiment.

The Deputy Marshals for this borough, David Roth and F. L. Baker, expect to complete the enrollment today. Some very amusing scenes have occured to them during their peregrinations through the town. We will be enabled to announce, in our next, the "Roll of Honor" for Marietta.

We were handed a couple of Flams by Col. John W. Clark, of this place, a few days since, which, for size and fine taste, "puts completely in the shade" anything in the plum line we have ever seen or tasted. They were called the "Bradshaw."

Dr. Sowerby, for sometime in Dr. Landis Drug store, in this place, has passed an examination and has been appointed an assistant surgeon in the army. He has left for Philadelphia.

State and National authorities. Col. Burt on Saturday evening last suspended recruiting for the regiment he was about raising. This is to be regretted, particularly as it was evident that by the end of the present week the regiment would have been full. An effort, bowever is being made to have this regiment accepted, and to accomplish this end the County Commissioners at their meeting on Monday appointed Messrs. Gen. Sheaffer, T. E. Franklin, Col. It is said that the number of warrants forged is between thirty and

SEWING MACHINES. - Enormous profits have, no doubt, been made on these articles, but the time is at hand when they will come to level of true value. Of this assurance is given in the advertisement of Chas. Ruggles, Detroit, Mich., in which the attention of persons wishing employment and seamstresses is invited.

A man named John Mills, a Shoemaker, residing in Lancaster city, was drowned in the Conestoga at Snavly's Mill, on Sunday last. The unfortunate man leaves a wife and three children to mourn his untimely death.

Col. Hambright's Regiment-79 is now at Nashville, Tennessee, having arrived there from their former location about two weeks ago. They are represented as being in good health, and "spoiling for a fight."

We have been handed by Mr. H. Wolfe, the Financial Manager of the 'Harmonic Society," the following note, which shows the proceeds-over and above all expenses—to have been \$65,25, which sum has been promptly paid over to the Treasurer of the Circle:

MARIETTA, AUG'T.27, 1862. F. L. Baker, Dear Sir :- I have just paid over to the Treasurer of the Circle. Mrs. S. P. Sterrett, Sixty Five Dollars and Twenty five Cents, the net proceeds of our Concerts.

Capt. Miller's "Marietta Braves' are doing guard duty in Georgetown. A correspondent of the Lancaster Express says: "Under the auspices of Dr. Cushman, the Quartermaster's Department has already been brought to as near perfection as that institution can be brought, and there are no complaints of scarcity of rations. Our stay will probably be some time as the regiment relieved performed the same duty for five | levied any tax upon the members of the Commonths. FRIENDS AND Relatibes of the brave Soldiers & Sailors.

HOLLOWAY'S PILLS AND OINT-MENT.—All who have Friends and Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Outment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's neverfailing-friend in the hour of need.

Coughs and Colds affecting Troops. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box. Sick Headache and Want of Appetite

Incidental to Soldiers. Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed prespiration, or cating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to do well .-The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stonach, and as a natural consequence a clear head and good appetite.

Weakness or Debility Induced by over

Fatigue. Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humours from the system. This mediacrid humours from the system. This medi-cine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

Volunteers Attention! Indiscretion of Youth.

Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Ountment be freely used as stated in the printed instructions. If treated in any other manner instructions. If freated in any other manner they dry up in one part to break out in another. Whereas this O in the ent will remove the former from the system and leave the Patients in vigorous and healthy man. It will require as little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre or the Bullet.

Sores or Bruises. To which every Soldier and Sailor are liable, there are no medicines so safe, sure and con-venient as Holloway's Pills and Ointment.— The poor wounded and almost dying sufferer ight have his wounds dressed immediately, might have his wounds dressed immediately, if he would only provide himself with the matchless Ointment, which should be thruss into the wound and smeared all around it, then cover with a piece of linen from his Knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflamation.

Every Soldier's Knapsack and Scaman's Chest should be provided with these valuable lemedies.

IMPORTANT CAUTION!—None are genuing unless the words "Holloway, New York uniess the words "HOLLOWAY, NEW JORK and London," are discernible as a Water-mark in every leaf of the book of directions, around each pot or box; the same may be plainly seen by holding the leaf to the light.—A handsome reward will be given to any one readering such information as may lead to the detection of any party or parties count; reliable.
