A meeting of the "Ladies Patriotic Circle" will be held on Friday afternoon Nov. 14th at their rooms for the purpose of preparing several boxes of supplies to be sent to the sick and wounded soldiers. The ladies again solicit contributions which will be received at the rooms at the time of the meeting. Dried fruits, and farina, &c., will be very acceptable, also soap and towels. In order that all may have an opportunity of attending their meetings, the ladies of the "Circle" have decided to change the time of meeting from Tuesday to Friday evening, at the usual hour (6 o'clock.)

On the 30th of October an accident occurred in East Donegal township, at the house of Mr. J. A. Garber, which is a warning to continual watchfulness over young children. About eleven o'clock in the morning a little girl belonging to Henry Torne, was amusing herself by playing with some live coals in an ash-heap, where they finally kindled some combustible matter into a blaze, communicating to her clothing, and immediately enveloping her in flames.—She was at once wrapped in a carpet, and the fire smothered—but too late to save her life, for she died in seventeen hours afterward.

Capt. Locher and Lieut. Dysart of the 79th Regiment, arrived at home on Wednesday last, on a brief furlough. Capt. L's health is much impaired, but he hopes to be able in a short time to join his regiment. Lieut. Dysart was wounded at the battle of Chaplin Hills but we are pleased to learn that he is speedily recovering from his wound, and will also soon rejoin his regiment.

John Crull, of "Crull's Row," has just returned from a trip to Washington, on a visit to the "Marietta Braves." Mr. C. reports the boys in good spirits and says their conduct and character at and around Washington and Georgetown, where they are stationed as provost guard, is really flattering for a Mariettian to hear.

Tuesday last was a great day at Mountjoy; the drafted militia of several townships taking transportation from that place for Harrisburg. A vast crowd gathered at the railroad station to wish the soldiers god-speed.

The Kugle property on the Maytown road, was purchased by Dr. Samuel Huston for \$545.00. The Dix property—the large house—by Frederick Yost, for \$495.00; the small one by Lawrence Hipple, for \$256.00.

The Lancaster papers say the crowds on Monday, Wednesday and Thursday—the days for the drafted men to leave that city for Camp Curtin—were as great as the "exemption" days.

Gone into the Navy—our young friend Jacob Libhart, Jr., has enlisted in the Naval service—thus they go—one by one, until the town is almost thinned out of the young 'uns.

Geo. Nauman has been admitted to practice law. Mr. N. was a student of General Sheaffer and is a son of Major Nauman of the U. S. A.

A GOOD DEED.—A worthy, industrious, but poor man, having a sick wife, (not out of bed for three months,) and five helpless children, the oldest only nine years of age, was among the militia recently drafted in Chester county. Three days he made fruitless efforts to obtain a substitute, his all—a cow, two pigs and a lot of chickens. But substitutes rated higher. A good neighbor becoming acquainted with these facts, made known the case, and four friends procured him a substitute for the sum of three hundred dollars. This is a deed worthy of record.

We copy from the Dauphin Journal, published at Middletown, the following notice of Dr. Beane, who is about to take Dr. West's place in this borough: "Dr. W. H. Beane, of Bainbridge, Lancaster county, has removed to Marietta, and in connection with Mr. Harrison Roth, will carry on the drug store formerly occupied by Dr. Grove, in Main st. The Doctor, however, will continue his practice as a physician.—He lately graduated at the Jefferson Medical College, Philadelphia, with high honors, and has been very successful in his practice at Bainbridge. We know that he is a gentleman of excellent character, a good physician, and we unhesitatingly recommend him to the people of that section.

The Harrisburg Telegraph says Glancy Jones, William B. Reed, Ancona of Reading, called upon the O. P. F. a short time since and had a caucus, at which it was resolved that James Buchanan should be sent to the United States Senate, provided there was power among the Secession sympathizers elected to the Legislature to effect the object. Also poor Buck.

FRIENDS AND Relations of the brave Soldiers & Sailors.

HOLLOWAY'S PILLS AND OINTMENT. Relatives in the Army or Navy, should take special care, that they be supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better prospect can be seen than for their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Coughs and Colds affecting Troops. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box. Sick Headache and Want of Appetite. Incidental to Soldiers.

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed respiration, or eating and drinking whatever is unwholesome. Thus, the relaxation of the action of the liver and stomach. These organs must be relieved, if you desire to do well.—The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and a natural consequence a clear head and good appetite. Weakness or Debility Induced by over Fatigue.

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach, and thus remove the cause of the humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this famous medicine. Volunteers Attention! Indiscretion of Youth.

Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner, they will be attended with pain, and distress. Whereas this Ointment will remove the former from the system and leave the Patients in vigorous and healthy man. It will require as little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises. To which every Soldier and Sailor are liable, there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment.—The poor wounded and almost dying sufferer might have his wounds dressed and healed, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then cover with a piece of linen from the Hospital, and compressed with a handkerchief. Doing this night and morning 6 or 8 Pills, to keep the system and prevent inflammation. Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

IMPORTANT CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK and LONDON," are discernible as a Water-mark in every leaf of the book of Directions, around each pot or box; the same may be plainly seen by holding the leaf to the light.—A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

\*Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York; and at all respectable Druggists and Dealers, in Medicine throughout the civilized world, in pots, at 25c. 62c. and \$1 each. N.B.—Directions for the guidance of patients, in every disorder are affixed to each pot. December 14, 1861.—No. 20-ly.

The Columbia Insurance Company, Of Columbia, Lancaster County, Penn'a.

CHARTER PERPETUAL! THE Company continues to insure Buildings, Merchandise, and other property, against loss and damage by fire, on the mutual plan, either for a cash premium or premium notes.

The success of the Company has far exceeded the most sanguine expectations of the Directors; and it will be noticed by the following statement that its affairs are in a healthy and flourishing condition. WHOLE AMOUNT INSURED \$772,707 34. Balance of Cash Premiums unexpended, February 1st, 1861, \$655 15. Cash Premiums received during the last year, less amount of commissions, \$3,315 54. Interest received on money loaned last year, 29 25. \$4,210 04. Losses and Expenses paid the last year, 26,704 21. Balance of Cash Premiums unexpended, Feb. 1st, 1862, \$1,505 86. \$4,210 07.

It will be seen from the above that the money paid in advance, policies has been sufficient to pay all losses and expenses and leave a surplus fund of over Fifteen Hundred Dollars, and that the Directors have never levied any tax upon the members of the Company.
