SATURDAY, NOVEMBER 22, 1862.

The Lancaster County Teachers' Institute will meet at Fulton Hall, on Monday next, and continue one week. The Lancaster Express speaking of the event says: "Though many of our best teachers, obedient to the call of country, have buckled on their armor and gone 'to the wars,' more strenuous exertions will be put forth by those who remain, and from arrangements already made, we think the coming sessions promise to be even more interesting and profitable than any that have preceded them.—The best teaching talent in the county (and we can boast of some of the best in the State) will be present so that this point in the teacher's journey through the year cannot fail to deserve 'the white stone.'" Prof. Wickersham, our foremost man in the cause of education, is put down for three or four lectures. Professor Brooks, always a favorite, in instruction each afternoon in Vocal Music; Professor Porter, of Franklin and Marshall College, natural science; arithmetic, reading, and elocution, by teachers well qualified to dispose of these important branches; and it is the intention of the committee to make physical geography a prominent subject. Professor Walter Wells has been engaged at considerable expense to deliver a course of lectures. This gentleman is a brilliant lecturer, a man of deep scientific research, and on this subject perhaps better posted than any other author in the country.

BUCHANAN AND THE U. S. SENATE.—Bennett of the New York Herald, the old defender of Buck while President, thus speaks of Buchanan for United States Senator: "The movements to make ex-President Buchanan the next United States Senator from Pennsylvania is most ridiculous and imprudent. The imbecility of Buchanan involved us in this war. Had he not possessed as much courage in his whole body as General Jackson had in one hair of his head he would have taken the advice of General Scott, and served the South Carolina secessionists as Jackson served the nullifiers, and we should have had no further trouble. Buchanan is unfit for any office of responsibility and trust and especially for so honorable an office as that of Senator of the United States. We would sooner see old Simon Cameron occupy this position; for Cameron, unlike the imbecile and treacherous Buchanan, has some pluck, some capacity, some frankness, and some fidelity to his friends."

TRULY THE BANNER DISTRICT.—The North Ward of the borough of Columbia, has sent to the field to crush this wicked rebellion one hundred and fifty-nine volunteers, and the following officers: General L. Merrill, doing duty in Missouri; General (acting) Thomas Welsh, Burnside's ninth army corps 45th Pa.; Colonel J. W. Fisher, 5th Pa. Reserves; Captain E. Y. Rambo, 45th Regiment, P. V., killed in South Carolina; Capt. D. Herr, 11th Pa. Cavalry; Capt. A. J. Collins, 5th Pa. Reserves; Capt. F. C. Kline, 79th P. V.; Captain Henry M. Black, 9th Infantry, (Reg.); Captain Geo. Brisman, 135th P. V.; Captain E. A. Kelsey, 45th P. V.; First Lieut. J. C. Hoyer, 12th Regular Infantry; First Lieut. George Souders, 135th P. V.; First Lieut. John McClure, (Q. M.), 45th P. V. There are two hundred and thirty-five voters in the district, which has sent one hundred and fifty-nine volunteers, two generals, seven captains and three lieutenants. Can any district beat this, having a proportionate number of voters? North Ward is, of course, clear of the draft, and ought to be for all time to come.

The supper at Heckrothe's White Swan, on Thursday evening, was, regardless of the rain and bad walking, quite well attended. Of the table and its fixings it is needless for us to speak, for every "good feeder" in this region knows how George gets up a dinner or a supper. Being rather inclined to be a little seedy, we left at an early hour, leaving the more spirited to usher in the "we small hours o' mornin'" over the seductive wine cup. The S. B. Thomas Rifles were well represented and almost completely monopolized one end of the table.

As usual, Dellinger is again ahead. He has just received a lot of Buffalo Robes, Horse Blankets, together with a fine lot of Harness, Saddles, Whips, and everything in his line of business.—Mr. D. is an excellent mechanic and has the nicest assortment in our place. Go and see his work.

At a meeting of the State Horticultural Society on Tuesday evening last, in Philadelphia, officers for the coming year were elected, among whom we find our former townsman, Capt. S. S. Rathvon, placed in the chair of an entomologist. Capt. R. is, beyond doubt, the greatest entomologist in the State.

There was the usual crowd at Quarter sessions court, this week. The only case from Marietta, of any note, was that of Joe Young. For assault and battery with the Hippees and stabbing Frederick Waller, he was found guilty and sentenced to two years and six months to the county prison.

Dellinger has just received a lot of Photograph Albums; almost every parlor in the land now has a photograph album. What more appropriate holiday gift could be given than one of these beautiful books.

The Bank of Mount Joy, Columbia Bank, Lancaster County Bank, and Farmers' Bank of Lancaster, have each declared a semi-annual dividend of 4 percent.

Died at Pottsville, November 5th, 1862, Dr. John M'Camant, aged 79 years. He was a native of Chester county, but resided for about forty years of his life in Lancaster county, which he twice represented in the State Legislature, and was in 1826 the competitor of Ex-President Buchanan for Congress in the districts composed of Lancaster, Chester, and Delaware counties. He was, during all his life, a member of the Democratic party, and from 1828 to the time of his death a warm personal friend of the Ex-President.

Hon. James Madison Porter died at his residence in Easton, Pennsylvania, on Tuesday morning last week, in the 70th year of his age. He was a son of General Andrew Porter, of the Revolutionary War, and a brother of the ex Gov. David R. Porter, and of the late Gov. George B. Porter of Michigan, formerly of Lancaster. The deceased filled many important positions, among them that of Secretary of War under President Tyler, and was a leading member of the Reform Convention of 1837-8.

The Lancaster Examiner of Wednesday last does great injustice to our townsman, Isaac Wolfersberger, by calling him "an anti hog eating Jew."—This is wrong—Isaac is an American—of American parents—born in Dauphin county—and as loyal as any man that stands upon a pair of feet, but is not as chaste as he might be, but then he is not a Breckenridge locofoco nor is he a Jew.

The Manheim Sentinel speaking of the work on this road is being rapidly pushed towards completion.—The long bridge at the lower end of town is nearly finished; and the long-towed-for "Iron Horse" made its first appearance within the Borough limits on last Tuesday."

Geo. W. Wormly, administrator of James Chambers, deceased, will sell at his late residence, near the Cemetery, a lot of household and kitchen furniture, together with two fine hogs, at one o'clock this day.

The Lancaster County drafted men have been formed into a regiment at Harrisburg with the following officers: Colonel, John L. Wright, of Columbia; Lieutenant Colonel, John Wilmer, of Lancaster; Major, E. H. Yundt, of Lancaster.

We learn that Col. Welsh was in town on Wednesday. We did not get a glimpse of him.

DIED.

On Wednesday last, WILLIE, eldest son of Montgomery Carver, of this borough, aged five years.

Sweetly—darling Willie, slumber in thy rest, Little waxen hands folded on thy breast, Prattling little tongue—veiled azure eyes, Shall wake in heavenly beauty in Paradise.

We have, recently devoted much of our time in visiting the European Hospitals, availing ourselves of the knowledge and researches of the most skillful Physicians and Surgeons in Europe and the Continent. FRIENDS AND RELATIVES OF THE Brave Soldiers & Sailors

HOLLOWAY'S PILLS AND OINTMENT.—All who have Friends and Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Coughs and Colds affecting Troops. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are annexed to each Pot or Box.

Sick Headache and Want of Appetite Incidental to Soldiers. Those feelings which so sadden us, usually arising from trouble or annoyances, obstructed perspiration, or eating and drinking, whatever is unwholesome, thus, by exciting the healthy action of the liver and stomach. These organs must be relieved, if you desire to do well.—The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

Weakness or Debility Induced by over Fatigue. Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either constipated or unduly relaxed. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the secret humors from the system. The medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this famous medicine.

Volunteers Attention! Indiscretion of Youth. Sores and Ulcers, Blotches and Swellings can with certainty be radically cured, the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the former from the system and leave the Patients in vigorous and healthy man. It will require as little perseverance in bad cases to insure a lasting cure.

To which every Soldier and Sailor are liable, there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment.—The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then cover with a piece of linen from his Knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

URGENT CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK and LONDON," are discernible as a Water-mark in every leaf of the book of directions, around each pot or box; the same may be plainly seen by holding the leaf to the light.—A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in pots, at 25c., 62c. and \$ each.

There is considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each pot. December 14, 1861, No. 50-37.

DR. J. Z. HOFFER, Dentist, OF THE BALTIMORE COLLEGE OF DENTAL SURGERY.

LATE OF HARRISBURG. OFFICE—Front street, fourth door from Locust, over
