ENTERTAINMENT TO GEN. CAMERON .-Last evening a hundsome entertainment was given to ex-Secretary Cameron, by Col. James Duffy, of Marietta, on the occasion of the General paying a visit to his friends in the vicinity where he was born. A large number of friends were present, and the entertainment was prepared in a style commeasurate with Col, Duffy's well known liberality and good taste. In response to a sentiment offered appropriate to the occasion. Gen. Cameron gave an interesting statement of the feeling in Europe, in regard to our national troubles, as they were observed by himself. The re-union was kept up to a late hour and was altogether a most pleasant affuir. Gen. Cameron looks well and is as hopeful as ever of the triumph of lovalty over treason .---Lancaster Evening Express.

Whist ! Hold your breath ! Colonel Duffy's entertainment to the Winnebago Chief-only think of it-Colonel Duffy -but-enough. On his learning that the Secretary of War, now Minister to Russia, was about to return home to "see how the land lay" for U.S. Senate, the unsuccessful contractor gave vent to his long pent-up wrath by saying that he hoped the steamer would sink ore it reached New York with its valuable cargo of human flesh. Now we are told this worthy was the most persistant of all the entertained to do homage to the distinguished stranger. The General, we learn, entertained the company in his usual pleasant conversational manner, leaving a very favorable impression upon all? But then, as he was unquestionably on a political errand, who is the Wagonseller of this vicinity that he is after? Who can Jell?

On taking the boy to his father's house, the sight of whom appeared to have crazed the father, who picked up a gun and threatened to shoot Mr. Jacob M.
