AN IMPORTANT DISCOVERY!! FOR THE CURE OF Consumption, Bronchitis, Coughs & Colds. THE MAKORA ARABICA, DISCOVERED BY A MISSIONARY, WHILE TRAVELING IN ARABIA.

All who are suffering from Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia. All those who are threatened with Consumption should use the Makora Arabica, discovered by a missionary in Arabia.

All who are suffering from Bronchitis should use the Makora Arabica, discovered by a missionary in Arabia. All who are suffering from Coughs and Colds, should use the Makora Arabica, discovered by a missionary in Arabia.

This unequalled remedy is now for the first time introduced into the United States. It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who suffered in that awful tragedy.

This pamphlet may be obtained at our office, or will be sent free by mail, if we apply for it. We import the Makora Arabica direct from Smyrna through the house of Cleon and Gylippos, and we have always on hand a full supply put up in bottles ready for use with full directions. Sent by mail on receipt of price, and 24 cents for postage. For sale wholesale or retail, by LEEDS, GILMORE & CO., Importers of Drugs and Medicines, 31 Liberty-st., N. Y.
