It cures Asthma, Scrofula and impurities of the blood.  
This unequalled remedy is now for the first time introduced to the public.  
It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in all his efforts.  
He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation and also a full account of the medicine.  
At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian deserts, which he obtained from those who suffered in that awful tragedy.  
This pamphlet may be obtained at our office, or it may be sent by mail to all who apply for it. We import the MAKORA ARABICA direct from Smyrna through the house of Cleon and Gyllipus, and we have always on hand a full supply put up in bottles ready for use with full directions.
