DROFESSOR DEGRATIVS ELECTRIC OIL.

Wonderful Cures on Man and Beast

A VALUABLE MEDICINE! PROPOSE to cure, almost instantaneously individuals afflicted with Deafness, Head-

ache, Neuralgia, Chill Fever, Ague, Rheumatism, and all Sores and Pains,

I prepose to check and effectually dissipate more ache and pain, and to accomplish nearer and more perfect equilibrium of all the circulation distribution of the contract of the co

and more perfect equilibrium of all the circulating fluids in the human system, than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.

I do not propose to cure every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on chemical and electric principles, and is, therefore, applicable to the cure or natural restoration of any organic derangement, arising from an improper circulation of Nervous vital fluid.

I want the masses to join in this matter—
the well as the sick, because if these things
are so, all are alike interested.
N. B. Please inform me of any case of failure to cure, in from half hour to three weeks,

ure to cure, in from half hour to three weeks, as I wish to cure or charge nothing.

The Columbus Sun remarks: On Saturday, an eld gentleman named Wm. C. Osborne, well known in our city, who, from rheumatic affections, has not been able to walk or use his hands sufficient to feed himself, for morthen ten years, was brought to Prof. De Grath on the street, where in the presence of a large assemblage of people, he applied De Grath's Electric Oil to one arm and shoulder. He was immediately enabled to raise his hand to his head and scratch it, a thing he said he hae not done before in twelve years.

The New Hampshire Patriot says: Durind the present week, no less than six of our

the present week, no less than six of our friends, who have been induced to try Prof. De Grath's Electric Oil for Rheumatism and Deafness, in consequence of having seen this prearation advertised in our colemns, have called upon us to state the result of experiments. These persons assure us that their Rueumatic pains have been entirely cured by a few applications of De Grath's Electric Oil, and they recommend its use to all who are afflicted with any of the diseases which it is afflicted with any of the diseases which it is

afficted with any of the diseases which it is designed to cure.

It seems that Rheumatism, Deafness, Neuralhia, Swollen and Stiff Joints, and other Complaints to which we are all subject, have lost their terrors. Prof. De Grath's Electric Oil is warranted to relieve any case in a short space of time and with a trigger case. space of time, and with a trifting expense. It always cures Scratches, Sprains, Galls and Splints on horses.
