SATURDAY, JANUARY 17, 1863.

Dr. Hinkle sometime since received a letter from Mrs. Ropes, of the Seminary Hospital, Washington, acknowledging the receipt of boxes from 'the Ladies' Patriotic Circle of Marietta, from which we are permitted to make the following extract:

"We have a house full of wounded men-oh, how I do wish you were here to help. The boxes arrived with safety ; I have no time to write to the kind hearted ladies who sent them, but many a Pennsylvanian here is more comfortable for the supply. I drank some of the coffee myself this morning and was surprised to see how fine it was. We shared in the Christmas dinner and the men were all nicely provided for-they do not now suffer here for any comfort. Give my blessing to the ladies engaged in this good work." Mrs. R. paid quite a compliment to the energies of our Circle, giving them credit for sending the nicest packed boxes, best and neatest made garments of any they have received and says it does her heart good to put them on our poor soldiers, for they look and feel so comfortable in them. This is certainly very creditable and encouraging to the efforts of our ladies who are striving to alleviate the sufferings and wants of our sick and wounded defenders, and to the ladies of the Circle, particularly, is this compliment deserving, for in the face of all the vicissitudes they had to contend against, they labored nobly in the good cause, this being the tenth box sent away and they are still willing to go on if our citizens will only assist in replenishing the treasury, for their funds cannot possibly be kept up by the society alone.

The ladies of the Patriotic Circle, at their last meeting, passed a resolution expressing their thanks to Barr Spangler, Esq., for his kindness in allowing rooms for the use of the Circle. free of charge since the 15th of September last. At the same meeting Mrs. A. N. Cassel was elected President of the Circle, vice, Mrs. Clawges, declining to serve on account of ill health. In consequence of the rooms which the Circle have recently been using, being otherwise occupied, meetings will hereafter take place, as originally, at the residence of members of the Uircle, due notice of which will be given in The Mariettian from week to week. The Circle will meet on Friday evening next at Mrs. F. L. Baker's.

CHARLES R. BUCKALEW, the newly elected U.S. Senator in place of Wilmot. is 41 years of age, and is regarded as a War democrat. He is certainly the least objectionable of all before the democratic caucus. He was a State Senator for seven years, from Columbia Co., and Minister under Buchanan to Ecuador. Forney's Harrisburg correspondent speaking of the Convention, says threats were made that the demo-

crat who did not vote for Buckalew would "be reckoned among the things of the past." A correspondent of the Public Ledger says the democrat that was supposed to vote for Cameron was known and as the clerk was nearing his name, a burly looking rowdy from Philadelphia stepped up to his desk and remained there until he had voted. The Republicans confidently expected to elect Cameron, and assurances were given in caucus that he would receive the vote of at least one democratic member of the House of Representatives. With this undestanding, the Senate agreed to go into the election Had this not been the belief of the Senate, they would have passed the adjournment resolution, and thus defeated an election during the session. This fact is ascertained beyond question. The name of the member of the House who gave the pledge to vote for Cameron is well known here, and he makes no concealment of the fact, that he did it for the purpose of deceiving the Republicans, and entrapping the Senate into an election. Had Mr. Cameron not felt confident of success he would not have allowed his name to be used, and by placing himself in this position of a defeated candidate, destroy the prestige of success which was hitherto attached to his name.

A delegation-rather small in num bers but big around the corporationleft Marietta for Harrisburg on Monday night to arrange matters for Simonthey returned-one cursing and swearing at the abolitionists-the other hurrahing for Buckalew-both left here strong for Cameron. Some men can blow hot and cold with the same breath.

John McClure, now Quartermaster of Col. Welsh's 45th regiment, a few days hanently relieved by such dress and exsince. The Capt. is on a short furlough home and looks none the worse of the ware. The 45th is immediately opposite Fredericksburg, and he says the rebels are very busy entrenching and fortifying themselves as if they duily looked for a renewal of hostilities. The Marietta boys in the 45th, the Capt. says, are in good trim and ready at any moment for a-"charge." The name of Col. Welsh and the 45th have become as "household words" in our place, almost every other family having a relative in the Regiment.

A most distressing accident happened on Thursday evening. A young man named Levi Longenecker, son of Mr. Henry Longenecker, of this place, aged about 25 years, who was in the employ of Mr. John Kline, tanner, was in some way injured by Mr. K's horse. He was found near the stable door moaning with his face awfully cut. He could not give an intelligent account how he was hurt but it is supposed he was kicked on the mouth by the horse. His mouth, nose and entire face was most dreadfully mashed. Drs. Hinkle and Beane were called in and dressed his wounds. His face presents a most

shocking spectacle. He is now doing well. Mr. Hayes Smith, who recently lost a foot in the service of the Penn-

sylvania Railroad company, whilst running as a conductor between this place and Columbia, has been appointed Weighmaster at Columbia. This is only one of the many acts of this company which deserve favorable mention.

We received a copy of Gov. Arny's Message to the legislature of New Mexico, from our former townsman, at Murfreesboro'. William T. Strachan. The last we heard of W. T. S. before was that he was with General Cauby fighting the rebel Indians. What he is doing now we cannot say.

The Harrisburg Daily Telegraph has increased, to its old size, and notwithstanding the high price of printing paper, is still sold at one cent.
