SATURDAY, JANUARY 24, 1863.

We observe by the Washington Star that the President has a list of 120 generals to be nominated to the Senate for confirmation, and it is equally certain that these candidates for military honors will not pass the searching investigation of the Senate. Many of them are backed by recommendations from military officers, and not a few prominent civilians have in like manner endorsed their particular friends. We hope to hear of the long-looked-for but tardy justice being done our Colonel WELSH, for if any gentleman in the service richly deserves promotion that person is Col. Thomas Welsh of the Pennsylvania Forty-Fifth.

A few days since, we received a letter from our former "Jour" Joseph C. Kaufman, who was in the fight at Fredericksburg and taken prisoner. Corporal Kaufman, for he has been made a Corporal, was very sick and while in the hospital was taken prisoner and afterwards paroled. He will remain inactive until he is exchanged. The Corporal says "playing soldier is not what it is cracked-up to be" and he believes it is not "cracked-up" very high any longer.

A most distressing accident occurred at Musselman's Furnaces on Wednesday night, by which a cartman known in town by the name of Dr. Brown, was very badly injured; two carts came in contact whilst passing, throwing the Doctor from his cart, which passed over him, with a load of at least a ton of hot cinder on it, passing over his body and doing him much internal injury. Dr. Landis was called in and attended to his injuries.

A correspondent of the Press, writing from Murfreesboro', under date of the 8th inst., says that Col. Hamilton's regiment, the 79th Pennsylvania, suffered but little, losing but fourteen men killed and wounded. The qualities of this fine body of men, however, were exhibited at Perryville. Col. Hamilton lost all his baggage and papers, which were burned by the guerrillas at Lavergne.

Adam Keller an old and highly respected farmer living on the Litz pike, a short distance from Lancaster, died on Tuesday evening last, aged 78 years. Alderman Erick of Lancaster, died on Wednesday morning, aged 72 years. Alderman F. was a son-in-law of Mr. Keller.

We have received a copy of "Eastman's State and National Business College," published at Poughkeepsie, New York, from which we learn that our young friend John Clark, son of Col. John W. Clark, of this borough, has received a position in that commercial College.

Sergeant Edward M. Shroiner, son of Philip Shroiner, jeweler, Columbia, who was wounded at Fredericksburg and left on the field, but afterward made prisoner and taken to the Libby Prison Hospital, Richmond, and died three days afterward. He was 25 years of age.

James Buchanan Lane, nephew of ex-President Buchanan, and one of the former dry goods firm of "Lane Nephews," Lancaster, died very suddenly in that city on Tuesday last. But a short time since G. Taylor Lane, of the same firm, died.

By referring to our advertising columns it will be seen that the partnership of O'Bryan & Hopkins has been dissolved and notice given to the public, concerning the manufacture of ore washers.

The small-pox is said to be raging to an alarming extent in Washington. It is also bad in Harrisburg, Lancaster and this borough. Our physicians say it is a very mild form in our midst.

The Donegal House is for rent. This is unquestionably the finest hotel in our borough, and, in the hands of an experienced inn-keeper, could be made very profitable.

Captain William C. Inhoff, who has been in the service since the commencement of the rebellion, is on a flying visit to his parents in this place.

John B. Warfel, Esq., of Paradise township, has been appointed to a clerkship in one of the Departments at Washington.

The contest for Mayor of Lancaster is growing warm; the election takes place on Tuesday, February 3d.

The Chambers' property will be offered again on next Saturday evening. See advertisement.

The Patriotic Circle will meet on Friday evening next at Mrs. S. P. Sterritt's.

The Courtland Saunders Cadets of Philadelphia is a company composed of pupils of one of the oldest and best known seminaries in Philadelphia. It is gotten up in honor of Capt. Courtland Saunders, the young Philadelphia killed at Sheperdstown. Among the list of one hundred names of members, which we find in the Philadelphia Inquirer of Saturday—upon which evening, being the birthday of the lamented Captain Saunders, there was a general drill and an address by Rev. Meekesay on the life and character of Capt. S., we find the name of Henry Duffy, son of the late Henry Duffy, formerly of this borough, and the ward of Mr. James Duffy. At this very time public interest is awakened in Captain Saunders by the issue of "The Courtland Saunders Tract for Soldiers," composed of passages of Scripture which he had selected for his own devotions whilst he was in camp and a few days before his death. This tract is admirable. It has prayers in case of a soldier's peril; in case of defeat; in case of victory; in case of suffering from wounds, diseases, and in view of death. It teaches the sin of rebellion, the sacredness of the Government and the assurance of ultimate success.

W. B. Jacobs, Esq., of West Earl township, was arranged before Alderman Van Camp, on the charge of intimidating James Starr and Frederick Styer from voting the Democratic ticket last fall, by threatening them with ejection from his employ. The men allege that they did not vote the Union ticket, and in consequence, received notice to quit the premises. We believe the penalty prescribed is to pay, on conviction, a fine not exceeding \$500, and undergo an imprisonment not exceeding two years.—Lancaster Inquirer.

The County Auditor's Report for the past fiscal year shows a balance in the County Treasury of \$41,873. The reason why this large balance is lying in the hands of the Treasurer, is explained upon the ground that this unusual amount was necessary to meet the demands for relief to soldiers' families.

Quite a number of Mariettians have returned home on account of sickness; amongst the number Abraham Alstead, Levi H. Files, John B. Bastian, John A. Baker and Peter Haden, who has lost an arm.

It has, within my own observation, saved many a poor soldier from long sickness and much suffering.

The Soldier's True Friend always Ready.

HOLLOWAY'S OINTMENT.—Long marches, sore and stiff joints, blistered and inflamed feet, all these the Soldier must endure. MOTHERS, REMEMBER THIS, when your son is grasping their muskets to meet danger, think what relief a single pot of this ALL HEALING & COOLING SALVE will give to the one you love who far away from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for SURE CUTS and UNGUIVON WOUNDS it stands unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wound.

WIVES AND SISTERS OF OUR VOLUNTEERS. You cannot put into the Knapsacks of your husbands and brothers, a more valuable or more necessary gift than a supply of this

Extraordinary Military Salve. The lonely sentry walking his rounds at night, exposed to drenching rains and chilled first air, is often seized with most VIOLENT PAINS, Cough and Suffering. Houseness, first symptoms of quick consumption, but if supplied with Holloway's Pills and Holloway's Ointment, all danger is averted, a few Pills taken night and morning, and the Ointment well rubbed twice a day over the throat and chest will remove the severest pains and stop the most distressing or dangerous cough. Therefore we say to the whole Army

SOLDIERS ATTENTION! See to your own health, do not trust to the Army supplies, although most valuable.—These Pills and Ointment have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these Great Remedies; many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of SOLDIER IN CAMP, Dierha, Dysentery, Scoury, Sores and Scrofulous Eruptions, all disappear like a charm before the use of these Pills and Ointment, and now while the cry rings throughout the land,

TO ARMS!—TO ARMS!! Do not let these brave men perish by disease, place in their hands these Precious Remedies, which will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more cannot possibly get beyond the moment of need, whereas if our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

IMPORTANT CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions accompanying each pot and box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious. Sold at the Manufacture of Professor HOLLOWAY, 50 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 62 cents, and \$1 each. N.B.—Directions for the guidance of patients in every part of the world are affixed to each box. There is a considerable saving by taking the larger sizes. [Dec. 20-1y]
