those who will reflect. A class of maladies prevail to a fearful extent in the community, dooming at least 100,-000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or symptoms are Nervous Debility Relaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great pal-pitation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hands and Limbs; aversion to society and to business or study; dimess of eyesight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumof the body; rains in the back of limbs, Lumbago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leuchorrhær of Fleur Albus, &c. Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern malaging with the most extension of the statement o gies with the most astonishing success. Never let the bowels be either confined or unduly acted bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humours from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

Volunteers Attention! Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Outment be freely used as stated in the printed nstructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Oin the ent will remove the former from the system and leave the Patients in vigorous and healthy man. It will require as little perseverance in bad cases to insure a

lasting cure. For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises, To which every Soldier and Sailor are liable, To which every Soldier and Sailor are hable, there are no medicines so safe, sure and convenient as Holloway's Pills and Gintment The poor wounded and almost dying sufferer might have his wounded dressed immediately, if he would only provide himself with this matchless Gintment, which should be thruss into the would and smeared all around it, then cover with a niece of linen from his Knapsack cover with a piece of linen from his Knapsack and compressed with a handkerchief. Taking

night and morning 6 or 8 Pills, to cool the system and prevent inflamation. Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.
