THE EARLY PHYSICAL DEGENERACY OF AMERICAN PEOPLE.

JUST PUBLISHED BY DR. A. STONE, Physician to the Troy Lung and Hygienic Institute.

A TREATISE on the causes of early physical decline of American people: The Nervous System, Consumption and Marasmus. This work is one of high merit, written in chaste, yet thrilling language, and appeals direct to the moral consciousness of ALL FATHERS and guardians especially, demanding scientific and reliable aids and treatment for cure.

It will be sent by mail on the receipt of two [3 cent] postage stamps.

Parents and Guardians! Fail not to send and obtain this book.

Young men! Fail not to send and get this book. Ladies who should at once secure a copy of this book.

A word of solemn conscientious advice to those who will reflect.

A class of maladies prevail to a fearful extent in the community, amounting to about 100,000 youth of both sexes annually, to an early grave. These diseases are very imperfectly understood. Their external manifestation, or symptoms, are Nervous Debility, Relaxation and Exhaustion; Marasmus, or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Bronchitis and Spasms; Dropsy, Indigestion, irregularity of the bowels, deranged secretions of the glands and other glands of the body, as Leucorrhoea of the Uterus, &c. Like-wise Epilepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tubercles, and Tuberculous meningitis, have their seat and origin in diseases of the Pelvic viscera. Hence the want of success on the part of old school practice in treating symptoms only.

DR. ANDREW STONE, Physician to the Troy Lung and Hygienic Institute, and Physician for Diseases of the Heart, Throat and Lungs, 96 Fifth Street, Troy, N. Y.

WHITE SWAN HOTEL, FROST STREET, MARIETTA. The undersigned having again leased this old and popular hotel, takes this method of informing his old friends and the public generally, that nothing shall be spared to keep up the reputation of the house, and make it worthy of the support of the traveling public. GEO. W. HECKERLIE.

Friends & Relatives of the Soldiers & Sailors. FOLLOWAY'S PILLS AND OINTMENT.—All who have Friends and Relatives in the Army or Navy, should take special care, that they are amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have not been provided themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick Headache and want of Appetite. These feelings which so sadden us, usually arise from trouble or annoyance, obstructed respiration, or eating and drinking whatever is unwholesome, thus disturbing the healthy action of the liver and stomach. These organs must be relieved, if you desire to do well.

The Pills, taking according to the printed instructions, will quickly remove all the acrimony in both the liver and stomach, and as a natural consequence a clear head and good appetite.

Weakness and debility induced by over Fatigue. Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Followay's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach, thus removing all the acrimony from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this valuable medicine.

WOUNDS ATTENTION! Sores and Ulcers, Blisters and Swellings can with certainty be radically cured. The Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another.

For Wounds often occasioned by the Bayonet. Sabre or the Bullet, Sores or Bruises. To which every Soldier and Sailor are liable, these Pills and Ointment are of great service as Followay's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be carried in the wound and smeared all around it, then cover with a piece of linen from his Knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

LADIES' CAUTION!—None are genuine unless the word "HOLLOWAY'S" New York and London, is discernible on a Water-mark in every leaf of the book of directions, around each pot or box; the same may be plainly seen by holding the leaf to the light.—A handsome reward will be given to any one who can furnish such information as will lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Sold at the Manufactory of Professor HOLLOWAY, 53 Mark Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in pots, at 25c. 62c. and \$1 each.

N. B.—Directions for the application of patients in every disorder are affixed to each pot or box. There is considerable saving by taking the larger sizes. [Dec. 10-ly]
