THE SOLDIER'S TRUE FRIEND ALWAYS READY. HOLLOWAY'S OINTMENT.—Long marches, sore and stiff joints, blistered and inflamed feet, all these the Soldier must endure. Mothers, REMEMBER THIS, when your sons are grasping their muskets to meet danger, think of the relief a single pot of this A. L. L. HEALING & COOLING Ointment will give to the one you love when far away from home.

THE lonely sentry walking his rounds at night, exposed to drenching rains and chilled night air, is often seized with most violent CROUP, Cough and suffocating Hoarseness, first symptoms of quick consumption, but supplied with Holloway's Pills and Holloway's Ointment, all danger is averted, a few Pills taken night and morning, and the Ointment well rubbed twice a day over the throat and chest will remove the severest pains and stop the most distressing or dangerous cough. Therefore we say to the whole Army SOLDIERS ATTENTION!

See to your own health, do not trust to the Army supplies, although most valuable.—These Pills and Ointment have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these Great Remedies, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of SOLDIER IN CAMP, Dierhies, Dysentery, Scurvy, Sores and Scrofulous Eruptions, all disappear like a charm before the Pills and Ointment, and now while the cry rings throughout the land, TO ARMS!—TO ARMS!!

Do not let these brave men perish by disease, place in their hands these Precious Remedies, which will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, they can frequently get succor in the moment of need, whereas if our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

IMPORTANT CAUTION!—None are genuine unless the words "Holloway, New York and London" are discernible as a Water-mark in every leaf of the book of directions attached to each pot and box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

\*Sold at the Manufactory of Professor HOLLOWAY, 50 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 52 cents, and \$1 each. N. B.—Directions for the guidance of patients in every disorder are affixed to each box. There is a considerable saving by taking the larger sizes. [Dec. 30-ly] Dealers in my well known medicines can have SHOW CARDS, CIRCULARS, &c., sent them, FREE OF EXPENSE, by addressing THOMAS HOLLOWAY, 50 Maiden Lane, New-York.

THE EARLY PHYSICAL DEGENERACY OF AMERICAN PEOPLE. JUST PUBLISHED BY DR. A. STONE, Physician to the Troy Lung and Hygienic Institute. A TREATISE on the causes of early Physical decline of American people: The cause of Nervous Debility, Consumption and Marasmus. This work is one of high moral tone, written in choice, yet thrilling language, and is directed to the moral consciousness of ALL FATHERS and guardians especially, detailing scientific and reliable aids and treatment for cure.

It will be sent by mail on the receipt of two three cent postage stamps. Parents and Guardians! Fail not to send and obtain this book. Young men! Fail not to send and get this book, unless you should at once secure a copy of this book. A word of solemn conscientious advice to those who will reflect.

A class of maladies prevail to a fearful extent in the community, amounting to at least 100,000 youth of both sexes annually, to an early grave. These diseases are very imperfectly understood. Their external manifestation, or symptoms are Nervous Debility, Relaxation and Exhaustion; Marasmus or wasting and emaciation of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Bronchitis and Sore Throat; shaking of the Hands and Limbs; inability to society and to business or study; dimness of eyesight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys, and other glands of the body; as Leucorrhoea of Pleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesentericæ, have their seat and origin in diseases of the Pelvic Viscera. Hence the wily application of success on the part of old school practices in treating symptoms only.

DR. ANDREW STONE, Physician to the Troy Lung and Hygienic Institute, is now engaged in treating this class of morbid maladies with the most astonishing success. The treatment adopted by the institution is new; it is based upon scientific principles, with new discovered remedies, without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent by mail or express. Printed interrogatories will be forwarded on application. Consumption, Catarrh and diseases of the throat cured as well at the Home of the Patients as at the Institution, by sending the Col. Medicinal Inhalant Balsamic Vapors, with Inhaler and ample directions for their use, and direct correspondence. Patients applying for interrogatories or advice, must enclose return stamps, to meet attention. The attending Physician will be found at the Institution for consultation, from 9 a. m. to 9 p. m., each day. Sunday in the forenoon.
