

PROFESSOR DEGRATH'S CELEBRATED ELECTRIC OIL. Wonderful Cures on Man and Beast

A VALUABLE MEDICINE!

I PROPOSE to cure almost instantaneously, individuals afflicted with Deafness, Headache, Neuralgia, Chills Fever, Ague, Rheumatism, and all sorts of pains.

I propose to check and effectually dissipate the ache and pain, and to accomplish nearer and more perfect equilibrium of all the circulating fluids in the human system, than can be effected by any other of all other methods of medical aid in the same space of time, the masses themselves being judicious.

I do not propose to cure every disease, but all such are curable by any combination of medical appliances. My Electric Oil operates on chemical and electric principles, and is therefore, applicable to the cure of nature's restoration of any organic derangement, arising from an improper circulation of Nervous vital fluid.

I want the masses to join in this matter—the well as the sick, because if these things are so, all are alike interested.

N. B. Please inform me of any case of failure to cure, in from half hour to three weeks, as I wish to cure or charge nothing.

The Columbia Express, on Saturday, an old gentleman named Wm. C. Osborne, well known in our city, who, from rheumatic affections, has not been able to walk, or use his hands sufficient to feed himself for more than ten years, was brought to Prof. De Grath on the street, where in the presence of a large assemblage of people, he applied De Grath's Electric Oil to one arm and shoulder.

It seems that rheumatism, Deafness, Neuralgia, Swollen and Stiff Joints, and other Complaints to which we are all subject, have lost their terrors. Prof. De Grath's Electric Oil is warranted to relieve any case in a short space of time, and with a trifling expense. It always cures Rheumatism, Sprains, Galls and Splints on horses.
