SATURDAY, JUNE 6, 1863.

WELCOME TO THE "BRAVES."-Saturday last was quite a gala day for our town. The formal reception of the "Marietta Braves," who had returned from a nine month's enlistment a few days previously, took place. At one o'clock the Town Hall bell pealed forth the announcement that the people were gathering to do homage to the returned volunteers; the procession was formed by the "old soldier," who was appointed Chief Marshal, and by him marched to the "lower-station" hotel, where the volunteers joined and then paraded through the principal streets of the town, bringing up in the Town Hall Park at about 3 o'clock, where Rev. Dr. Timlow made the formal reception, which was one of his happiest extemporaneous efforts; Rev. Mr. Gregg, of the M. E. Church, on behalf of the volunteers, responded. The large room in the Town Hall had previously been put in beautiful trim by the ladies attached to the Patriotic Circle, for the purpose of spreading the tables; at the western end of the roomin the centre-was beautifully festooned, an American flag, supported on either side by wreaths of flowers and evergreens, in the centre of which were the words "Welcome Home" and "Welcome to the 'Marietta Braves.'" Two tables the entire length of the long room literally groaned under the weight of delicious edibles provided by the "Ladies of the Patriotic Circle." In the centre of each table was a mammoth cake, tastefully iced, and in the centre of each was placed a beautiful miniature flag .-On one of the cakes was the motto "The Union forever," on the other "The Union and the Constitution." The ladies finding they had provided more than possibly could be consumed by the volunteers, invited, through their president, John Jay Libhart, esq, the members of the Union League, who had very liberally assisted in getting up the display, to also partake of the repast. On entering the room and just before commencing the "charge upon the table," Rev. Mr. Clawges delivered a few welltimed remarks closing with a prayer, which for deep seated, stirring patriotism we have rarely, if ever, listened to; the voracious, hungry, pent up citizen and Only 25 cents per box. soldier now "went in" and soon made sad havoc upon the nice dainties which, but a moment before, had embellished the tables. After full justice had been done the dainties, the soldiers gave three cheers for the Patriotic Circle and one for the Union League, which were given with a will.

A delegate meeting will be held this (Saturday) evening at the Town Hall, for the purpose of sending five delegates to a County Convention, which will be held in Lancaster on Wednesday next, to send delegates to a State Convention to be held in Pitts. 52 feet and 6 inches, and extending in depin 210 feet to Mulberry Alley, on which is erectburg on the first day of July next, to ed a one-story Frame nominate a candidate for Governor and Judge of the Supreme Court. The rolls will be open between the hours of four and six o'clock.

The Lancaster Examiner of Wed. nesday last says at a meeting on Tuesday last, of the stocholders of the Farmers' Bank, it was unanimously agreed to surrender the State charter and accept one under the National Banking Law. This would change the name to the "First National Bank of Lancaster."

Captain Phillips says that he brought home with him every man in his company that he took away, with the exception of one who deserted .-This is something unusal, that we doubt whether there is another company of nine months' men who can show so full a muster roll on their return home. It was a Lancaster County Company.

On Monday evening last the S. B. Thomas Rifles held an election for officers, but up to going to press we did not learn the result. We will have it in our next. This company is making rapid progress in the manual of arms, and 'ere long will be the pride of the borough.

John Buchanan, a single man aged 31 years, who was so badly burned a few days since by the burning of his mother's house, at the upper end of town, after suffering intense agony for several days, was relieved by death on Tuesday morning last.

Henry Leese, a young man belonging to Captain Miller's Marietta Braves, who returned with the company in rather good health, took suddenly ill after his arrival home, and died on Tuesday morning last. On Thursday the etta. Braves attended the funeral in a body.

Margaret Stoutzenberger, a notorious "woman of the town" of Lancaster, committed suicide on Sunday afternoon, at Reigart's Landing, near Lancaster, by throwing herself from the Conestoga bridge,

Assistant Provost Marshal Ettla is busy taking the enrollment of this borough. He made an unexpected descent upon a party of seven darkies, a few days since, who were so greatly absorbed in a game of poker, as not to observe his entrance, but on seeing "him and his big book," made every effort to get away. The "Provo" drew his revolver and warned "nara woolly head" to move an inch, at the risk of his life, until he had obtained all the information necessary. Mr. E. says nothing of their eyes, but the white part, could be seen, and that their bair curled so tight as to make closing their eyes out of the question; and that their complexion was several shades lighter, until they learned that they were not immediately to pro-

MENT.—All who have Friends and Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ontment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's neverfailing-friend in the hour of need.

Coughs and Coupe approximations.

COUGHS AND COLDS AFFECTING TROOPS. Will be speedily relieved and effectually by paying proper attention to the Directions which are attached to each Pot or Box. Sick Headache and want of Appetite Incidental to Soldiers!

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed prespiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to do well.—The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appeirte. Weakness and debility induced by over Fatigue, Will soon disappear by the use of these in valuable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's

bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humours from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTION!

Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Outment be freely used as stated in the printed nstructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the former from the system and leave the Patients in vigorous and bealthy man. It will require as little perseverance in bad cases to insure a as note pers lastng cure.

For Wounds either occasioned by the Bayonel Sabre or the Bullet, Sores or Bruises, To which every Soldier and Sailor are liable

To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thruss into the wound and smeared all around it, then cover with a piece of lines from his Warracht. cover with a piece of linen from his Knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflamation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable

Remedies.

IMPORTANT CAUTION!—None are genuine unless the words "Holloway, New York and Lordon," are discernible as a Watermark in every leaf of the book of directions, around each pot or box; the same may be plainly seen by holding the leaf to the light.—A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious. them to be spurious.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend, Patent Medicines in general, through distrust of their ingredients and effects; I know of no sufficient reasons why a man may not testify to the benefits he believes hisraely

not testify to the benefits he believes himself to have received from any simple preparation, in hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoof-land's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcholic mixture. I am indebted to my friend Robert Sheemeler. For for the reason of this was Shoemaker, Esq., for the removal of this pre-judice by proper tests, and for encouragement to try them, when suffering from great and to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the the present year, was followed by evident relief, and restoration to a degree of bodily bud mental vigor which I had not felt for six months before, and had almost despaired or regaining. I therefore thank God and my friend for directing me to the use of them.

PHILADELPHIA, August 23d, 1862.

Messrs. Jones & Eveans.—Well, gentleman,
your Hoosland's German Bitters have saved my your Hooland's German Bitters have saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who are fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Avres. Through the expenses. tain R. B. Ayres. Through the exposure atterdant upon my arduous duties, I was attacked in November last with inflamation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, hospital. This was followed by great debility, heightened by an attack of dysentary. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landel on the 28th, of June. Since that time I have been about as low as any one could and still retain a spark of vitality: For a week or more I was scarcely able to swallow anything, and if I did force a morsal down, it was immediately thrown up again.

thrown up again:

I could not even keep a glass of water on
my stomach. Life could not last under these I could not even keep a glass of water on my stomach. Life could not last under these circumstances: and, accordingly, the physicians who had been working faithfully, though unsuccessfully to rescue me from the grasp of the dread Archer, frankly told me the could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me.—An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below. Arch street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a hottle. From the time I commenced taking them the gloomy shadow of death receded, and I amnow, thank God for it, getting better.
