

The Local Mariettian.

MARIETTA CAR HOURS. The several passenger trains will leave the "Upper-station Depot" as follows: Morning train, East, at ten minutes before 8; Mail train West, 11:38; Marietta Accommodation train, East, at 9 minutes after 5; the same train West, at five minutes before 7 in the evening.

SATURDAY, JUNE 13, 1863.

Our young friend Dr. John J. Sowerby is in New Orleans. He has our thanks for copies of the "Picayune" and the "Era."

The sale of the Jason property will take place on the 27th of June, instead of the 28th, which would be on Sunday. An error of the printer.

A very ably written article on "Treason," from the pen of a former "Mariettian," will be found on the outside of this week's paper.

The Town Council offer a reward of one hundred dollars for the conviction of the murderer of Charles A. Brady. Better late than never. See advertisement.

The collector for Borough and School Taxes will start out on Monday next, and hopes to find "payers" in readiness for him.

At the Delegates meeting on Saturday evening last, the following gentlemen were elected to represent this borough in the County Convention: Geo. H. Etta, John J. Libhart, J. M. Lazzare, Levi Boughler and John Shields.

We have received the first number of "The Chester Valley Union," just started at Coatsville, by Wm. J. & Jos. C. Kaufman. "The Union" is a very neat sheet about the size of The Mariettian. We hope the Kaufman brothers may succeed in this enterprise. Joseph C., was, for a year, engaged on our paper, and has just returned from having served nine months in the 122d Regiment Pennsylvania Volunteers, Col. Emion Franklin.

A man called "Foxey," we have not heard his real name, but is almost everywhere known by the above title, a vagabond kind of a fellow, who was, from the first, suspected of the murder of Charles A. Brady, was arrested by ex-chief Burgess, Henry S. Libhart, a few days since in Reading. "Foxey" was once before charged with murder, but it appears escaped conviction. He put on an indifferent air when first told by Libhart that he was charged with Brady's murder, but has since evinced a "weakness in the knees." The evidence against him is purely circumstantial, but very strong. He is in the county prison.

On Tuesday last three trains of cars passed through this borough, filled with rebel prisoners, on their way to Fort Delaware. They were from Alabama and Mississippi, and were taken near Vicksburg—about 2000 in number. They were a ragged, filthy looking set. Some expressed a wish to remain, whilst others were very severe on the north.

The following contributions were received by the Ladies' Patriotic Circle and sent to Campbell Hospital, Washington, on the 8th instant: Mrs. John Clark, 1 paper of sugar, 22 lemons; Mrs. Crout, 2 cakes of soap, 1 paper of cornstarch, 1 pair of socks; Mrs. C. M. Fouk, 1 shirt, 1 pair of socks; Mrs. J. Hoerner, 13 rolls of bandages, 3 packages of lint, 2 pairs of pillow cases, 11 handkerchiefs; Mrs. H. D. Benjamin, 1 pillow, 1 sheet; Mrs. S. P. Sterritt, 1 vest, 1 shirt, 6 collars; Mrs. Mary J. Cassel, 1 pair of socks, 1 cake of soap, 1 bottle of raspberry jelly; Mrs. Barr Spangler, 2 papers of cornstarch; Miss E. Rudisill, 5 cakes of soap, 1 paper of farina; from the Circle, 8 shirts, 8 pairs of drawers, 6 linen towels.

Through the kindness of Lieut. Col. W. H. Eagle, we are enabled to present, in full, the officers elect of the "S. B. Thomas Rifles":

- Captain, William H. Eagle.
First Lieut., Clayton M. Fouk.
Second Lieut., Warren R. Grosh.
Ordery Sergeant, John Panles.
2nd Sergeant, John W. Rich.
3rd " James B. Allison.
4th " J. M. Anderson.
5th " John M. Engle.
1st Corporal, John S. Miller.
2nd " Geo. G. Eagle.
3rd " Abm. Cossill.
4th " John Riff.

CIVIL ORGANIZATION: President, W. H. Eagle; Secretary and Treasurer, John W. Rich; Quartermaster, George W. Heckrothe; Trustees, C. C. P. Grosh, John Spangler, John Stickler.

No encouraging has been the of tobacco, during the past year, that almost every available foot of ground in and around this place has been put out in the weed.

A break occurred in the canal a few miles above this borough, which detained a number of boats for three or four days.

A call is being made for another installment on the bank subscription.—See advertisement in another column.

The Patriotic Circle will meet on Friday evening next, 19th instant, at Mrs. A. N. Cassel's.

The Fruit Growers' Society of East Donegal, held their first exhibition for the season in the High School building on Tuesday evening last. The society was re-organized by electing the following officers: John Jay Libhart, President. Col. W. H. Eagle, Vice President. John Musser, Secretary. Barr Spangler, Treasurer.

On taking the chair, Mr. Libhart made some remarks upon the importance of keeping up the organization of the society, followed by Messrs. Henry M. Engle and Barr Spangler on the same subject, when it was determined to engage Temperance Hall for regular meetings and exhibitions in the future, the next to be on Friday evening next, (19th) at 7 o'clock, when an essay will be delivered by the president.

Two committees were then appointed to examine and report upon the berries on exhibition. One composed of Messrs. Barr Spangler, Daniel Engle, John Musser and Joseph Windolph, upon seedling strawberries, produced by Mr. Henry M. Engle, by crossing the following varieties: No. 1. Ladies Pine and Wilson's. No. 2. Ladies Pine and Triumph do Gand. No. 3. Triumph do Gand and Wilson's. No. 4. Wilson and Peabody.

The committee reported: No. 1. Inferior to both parent berries. No. 2. superior to No. 1 in flavor and worth of further propagation. No. 3, good color and size, sweeter than the Wilson. No. 4, the largest berries, but not of as good flavor as No. 3.

The committee commended the efforts of Mr. Engle in producing new varieties and advised special attention to the subject on the part of the members as a means of making still further improvement in this valuable fruit.

The committee on the general display of berries, composed of Col. W. H. Eagle, John Shields and Madames Barr Spangler, Sterritt and W. H. Eagle, reported that they regarded the Ladies Pine the finest flavored berry on exhibition; for size the Triumph do Gand by Messrs. Spangler and Henry M. Engle; also some very fine Wilson's by Gottehall and Spangler, and Globoss Scarlet by Mr. Engle. They also reported a fine display of the old varieties, Albany, Hooker and Peabody.

The table was handsomely ornamented by several bouquets from the gardens and handwork of Mrs. James Whitehill, Mrs. S. P. Sterritt and Mrs. Barr Spangler.

At the next exhibition there will be cherries, raspberries, vegetables and flowers; all persons are invited to send anything they may have to exhibit. A determination to make these exhibitions interesting to exhibitors and visitors, together with a pleasant and comfortable room to meet in, will, we hope, secure a large attendance in future.

The Union County Convention met in Lancaster on Wednesday last, and organized by electing Capt. John Jay Libhart, of this borough, president, than whom, a more dignified and ably qualified gentleman for the post could not have been in Fulton Hall. Resolutions were passed recommending Gov. C. rlin for re-nomination and urging Hon. Thomas E. Franklin for the Supreme Bench. The following gentlemen were then placed in nomination for delegates to the State Convention, to be held July 1st, with the following result: Geo. M. Kline, of Lancaster, unanimous. Nathaniel Mayers, had 44 votes. B. M. Krider, Mountjoy, 47 " O. J. Dickey, Lancaster, 41 " G. W. Mehaffey, Marietta, 36 " J. M. Stehman, Penn, 34 " J. S. Hacker, Ephrata, 32 " Wm. Hamilton, Paradise, 30 " C. S. Kauffman, Columbia, 15 "

Whereupon Messrs. Kline, Mayers, Krider, Dickey, Mehaffey and Stehman were declared the delegates.

THE SOLDIER'S TRUE FRIEND ALWAYS READY. HOLLOWAY'S Ointment.—Long marches sore and stiff joints, blistered and inflamed feet, all these the Soldiers must endure. Remember, REMEMBER THIS, when your sons are sending their muskets to meet danger, that what relief a single pot of this ALL HEALING & COOLING Salve will give to the one you love when far away from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and ailed joints, leaving them supple, strong and vigorous, while for SANEZ CURS and GUNNISON WOUNDS it stands unequalled, removing and preventing every vestige of inflammation and gently draws out the most frightful wound, and completely heals the most frightful wound.

WIVES AND SISTERS OF OUR VOLUNTEERS You cannot put into the Knapsacks of your husbands and brothers, a more valuable or more necessary gift than a supply of this Extraordinary Military Salve. The lonely sentry walking his rounds at night, exposed to drenching rains and chilled night air, is often seized with most violent rheumatism and suffocating Hoarseness, the first symptoms of quick consumption, but if supplied with Holloway's Pills and Holloway's Ointment, all danger is averted, a few Pills taken night and morning, and the Ointment rubbed twice a day over the throat and chest will remove the severest pains and stop the most distressing or dangerous cough. Therefore we say to the whole Army SOLDIERS ATTENTION!

See to your own health, do not trust to the Army supplies, although most valuable.—These Pills and Ointment have been thoroughly tested, and are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these Great Remedies; many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of SOLDIER IN CAMP, Dierkes, Dysentery, Scoury, Sores and Scrofulous Eruptions, all disappear like a charm before these Pills and Ointment, and now while the crying ings toward the land, TO ARMS!—TO ARMS!

Do not let these brave men perish by disease, place in their hands these Precious Remedies, that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequently get success in the moment of need, whereas if our brave men have only put their hands into their Knapsacks and find there a sure remedy for all the ailments of the battle field. How many thousands of lives would thus be saved, and would otherwise perish before relief could be obtained.

IMPORTANT CAUTION!—None are genuine unless the words "Holloway, New York and London," are discrible on a Water-mark in every leaf of the book of directions around each pot and box; the same may be plainly seen by holding the leaf to the light. A hand-some reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Do you want to sleep well? Do you want a brisk and vigorous feeling? If you do, use HOOFLAND'S German Bitters.

From Res. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in hope that he may thus contribute to the benefit of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore testify to the merit of my friend for directing me to the use of them.

Philad'a., June, 23, 1861.

PHILADELPHIA. There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed. This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard.—By their use, the system is kept continually under the influence of alcohol, and the worst kind, the desire for liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following notice: One bottle of Hoofland's Bitters and mix with three quarts of good brandy or whiskey, and the result will be a preparation that will far excel in medicinal virtues and taste excellence any of the numerous cheap Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of liquor, at a much less price than these inferior preparations will cost you.

ATTENTION SOLDIERS! We call the attention of all having relations or friends in the army to the fact that "Hoofland's German Bitters" will cure nine-tenths of the diseases induced by exposure and privation in the camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick; it will be noticed that a very large proportion are suffering from debility. Every case of this kind, and every soldier who has one bottle of Hoofland's Bitters and mix with three quarts of good brandy or whiskey, and the result will be a preparation that will far excel in medicinal virtues and taste excellence any of the numerous cheap Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of liquor, at a much less price than these inferior preparations will cost you.

PHILADELPHIA, August 23, 1862. Messrs. Jones & Evans.—Well, gentlemen, your Hoofland's German Bitters have saved my life. There is no mistake in my being cured by or by numbers of my comrades, some of whose names are appended, and who are fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's cavalry, and under the immediate command of Captain R. D. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs and was for several weeks confined to the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamship "State of Maine," from New York on the 28th of June. Since that time I have been about as low as any one could and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances, and, accordingly, the physicians who had been consulted, were rendered unsuccessfully to rescue me from the grasp of the dread Ancher, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as I might see fit. An acquaintance who visited me at the hospital, Mr. Frederick Steindron, of Sixth below Arch street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. The I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permanent in my recovery. I have heard from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To you, E. W. Jones, Esq., of E. 5th Maine, I owe my recovery. I owe the recovery of my life to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC A. SLOWE. We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.
