Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed prespiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to do well.—The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appeilts. Weakness and debility induced by over Faligus, Will soon disappear by the use of these in valuable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humours from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.
