AMERICAN PEOPLE.

JUST PUBLISHED BY DR. A. STONE, Physician to the Troy Lung and Hygienic Institute.

A TREATISE on the causes of early Phys ical decline of American people: The cause of Nervous Debility, Consumption and Marasmus. A word of solemn conscientious advice to those who will reflect. A class of maladies prevail to a fearful extent in the community, dooming at least 100, 000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or understood. Their external manifestation, or symptoms are Nervous Debility Relaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hauds and Limbs; aversion to society and to business or study; dimness of eyesight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumbago, Dyspensia or Indirection, irrecularity. bago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leuchor-rhær of Fleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesen-terica, bave their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practices in treating symptoms only.

I propose to check and effectually dissipate more ache and pain, and to accomplish nearer and more perfect equilibrium of all the circulating fluids in the human system, than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.

I do not propose to cure every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on chemical and electric principles, and is, therefore, applicable to the cure or natural restoration of any organic derangement, arising from an improper circulation of Nervous vital fluid.

I want the masses to join in this matter—
the well as the sick, because if these things
are so, all are alike interested.

N. B. Please inform me of any case of failure to cure, in from half hour to three weeks,
as I wish to cure or charge nothing.

The Columbus Sun remarks: On Saturday,
an old gentleman named Wm. C. Osborne,
well known in our city, who, from rheumatic
affections, has not been able to walk or use
his hands sufficient to feed himself, for morthen ten years, was brought to Prof. De Grath then ten years, was brought to Prof. De Grath on the street, where in the presence of a large assemblage of people, he applied De Grath's. Electric Oil to one arm and shoulder. He was immediately enabled to raise his hand to his

head and scratch it, a thing he said he had not done before in twelve years. The New Hampshire Patriot says: Durind the present week, no less than six of our friends, who have been induced to try Prof. De Grath's Electric Oil for Rheumatism and Deafness, in consequence of having seen this prearation advertised in our colemns, have called upon us to state the result of experiments. These persons assure us that their Rueumatic pains have been entirely cured by a few applications of De Grath's Electric Oil, and they recommend its use to all who are and they recommend its use to all who are afflicted with any of the diseases which it is

designed to cure.
It seems that Rheumatism, Deafness, Neuralbia, Swollen and Stiff Joints, and other Complaints to which we are all subject, have lost their terrors. Prof. De Grath's Electric Oil is warranted to relieve any case in a short space of time, and with a trifling expense. It always cures Scratches, Sprains, Galls and Spluts on horses.
