The Focal Mariettian.

MARIETTA CAR Hours. The several pasminutes before 7 in the evening.

MARIETTA, SATURDAY, JULY 25, 1863.

This number closes the ninth year of The Mariettian. We will not issue a number on next Saturday, but will busy ourself during the week in Phila? delphia and elsewhere in trying to collect what us due is, and should we succeed, as we hope we may, in collecting outstanding accounts, we will resume on Saturday following, August 8th .-We will enclose bills in this week's Jacob Resh number to delinquent subscribers at a John Bullock distance, in order that they may know their exact indebtedness, the amount of which we hope they will remit to us Geo L Mackley without delay, which they may do at our David Dutton risk, emitting to register their lettersas registering only furnishes dishonest Fred Reisling post office employees with the knowl. John Navlor edge of the fact that the letter contains | Wm Westheffer money. As government small notes can now be obtained everywhere, there is no excuse for not remitting what is | Zachariah Baker

The "First National Bank of Marietta" is now fairly under way, David Cochran having opened for business on Tuesday | Henry Giles last. The Banking Room, fitted up un. Samuel General der the directions of Mr. John H. Goodman, is admitted by all, to be one of the finest east of Philadelphia. The counter, desks, drawers, caseings, &c., being very handsomely grained in imitation of oak by Harry Girod. The room itself being large and having two windows in front and two on the east wing, making it very light and airy. By an advertisement in this week's paper, it will be seen that Wednesday is discount daya very important day in the future for many-and that 30 per cent. of the stock is required to be paid by the 20th of August.

Every member of the Union League of the borough is earnestly requested to attend the next meeting, on Thursday evening the 30th instant, for the transaction of very important business. Let none be absent that can possibly attend.

Of the stores sent to Gettysburg by the "Patriotic Circle" of this borough, there were eight boxes of various articles; one barrel of dried rusk; one barrel of fresh rusk and one hundred and six loaves of bread.

Quarterly meeting in the M. E. Church to-morrow. Preaching in the morning by Rev. Mr. Gregg, and in the evening at 6 o'clock by Rev. Joseph | Fred Shaeffer Castle, D. D., Presiding Elder, South Philadelphia district.

We lost or mislaid a Prince James McGraw Fountain Pen, on Friday or Saturday

J A Hogentogler
Chas Luhring last. The fountain or holder is made of gutta percha-the pen-a large sized | Hugh Murph one-gold. The finder will be suitably rewarded, and no questions asked, by leaving it at this office.

In our list of donations to the Patriotic Circle, Miss Franck's was put down at one dollar, when it should have been two dollars. Miss F. has shown a commendable liberality with her means, throughout this rebellion.

Ex-Judge Vondersmith has raised a cavalry company, which has been named the "Lancaster City Troop,"-It is now at Camp Curtin.

The "Circle" will meet on Friday evening next—the 31st instant—at Miss Eliza Hopkins'.

On the 15th inst., the body of a man was recovered from the Susquehanna, in the neighborhood of Fite's Eddy, this county, which is described as being a person of about five feet five inches in heighth, with black hair which had been worn long. There was a thick twine around his body to which was attached a lace boot.

On the 18th another body was recovered at the same point, which is described as a man of about twenty-five or six years of age, broad shouldered and about five feet five in height, with sandy hair and beard, the head partly bald .--Both bodies were nude.

In order to prevent fruitless trips to Lancaster by those seeking exemption from the late draft, we will state that the Examining Board will hold meetings for that purpose from the 24th instant to August 28th. East and West Donegal and Conoy townships will be held on Thursday next, 30th, and Marietta borough on Monday the 17th of August, and Columbia borough on Tuesday 28th. It would be useless to go before the day set apart for the partic-

ular district. A young man named George Jacob Hesley Amos Shank Kemper was drowned at Graeff's landing, Lancaster, on Thursday afternoon. He and a young friend named Fullmer | Saml Diffenbach were in bathing. Kemper was a good Isaac N Marshall swimmer, and swam across the creek, Samuel Baker asking his companion to follow; but the Samuel Nev latter being unable to swim refused to Henry Kapp go. When near the other side, some boys cried out that he was drowning Gust Walter and threw a plank to him, but it was too late. It was supposed he was seized L L Ebersole 23y Adam K Snyder with cramp.

THE DRAFT.-We herewith append a Abm Hummel list of the persons drafted from our borough and the districts around us, which is all we suppose will interest our readsenger trains will leave the "Upper-station Bepot" as tollows: Morning train, East, at ten minutes before 8; Mail train West, 11:38; day without any further delay or impe-Harrisburg Accommodation train, East, at 9 minutes after 5; the sam: train West, at five diments than the fizzle of a dutch attempt at riot on Thursday of last week :
