FRIEND ALWAYS READY.

HOLLOWAY'S OLSTMENT .-- Long marches, HOLLOWAY'S UNTMENT.—LONG MATCHES, sore and stiff joints, blistered and inflamed fort, all these the Soldiers must endure, Morhens, Remember This, when your sons are grasping their muskets to meet danger, think what rehef a single pot of this A LL ILBALING & COOLING Salve will give to the one-you love wher far away from home and Fricads. It hardens and makes tough the fect so that they can endure great fatigue. It soothes, and relieves the inflamed and stiffened soches, and relieves the inflamed and sliftened joints, leaving them supple, strong and vigor-ous, while for SARRE CUTS and GUNSHOT Wounds it stands unequalled, removing and proventing every vestige of inflamation and gently drawing the edges together, it quickly and completely heals the most frightful wound. WITES AND SISTERS OF OUR VOLUNTEERS You cannot, put into the Knapsacks of your husbands and brothers, a more yaluable ormore necessary gift

than a supply of this Extraordinary Military Salve. The lonely sentry walking his rounds at night, exposed to drenching rains and chilled inght air, is often seized with most VIOLENT PATNS, Cough and suffocating HOATSENESS, first symptoms of quick consumption, but if supplied with Holloway's Pills and Hollo-way's Ointment, all danger is averted, a few Pills taken night and morning, and the Oint-ment well rubbed twice a day over the throat and chest will remove the severest pains and stop the most distressing or dangerous cough. Therefore we say to the whole Army SOI DIERS ATTENTION 1

_ SOLDIERS ATTENTION !

Do not let these brave men perish by diseases place in their hands these Precious Remediess that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the exposites, the revers, the chils, and the wounds which they cannot avoid, and what is more, cannot frequently get succour in the moment of need, whereas if our brave men have only to put their hands into their Knap-sacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise neigh before relief could be would otherwise perish before relief could be obtained.

These organs must be relieved, if you desire to do well.— The Pills, taking according to the printed instructions, will quickly produce a healthy ac-tion in both liver and stomach, and as a natu-ral consequence a clear head and good appeilte. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humours from the system. This medi-cine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTION 1 Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Ontment be freely used as stated in the printed naturctions. I propose to check and effectually dissipate more ache and pain, and to accomplish nearer and more perfect equilibrium of all the circula-ting fluids in the human system, than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges. I do not propose to cure every disease, but all such as are curable by any combination of medical explances. copy of this book. A word of solemn conscientious atlyice 190 those who will reflect. A class of maladies prevail to a fearful ex-tent in the community, doorning at least 100,-000 youth of both sexes annually, to an early a grave. Those diseases are very imperfectly understood. Their external manifestation, or symptoms are Nervous Debility Relaxation and Exhaustion; Marasmus or washing and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a kill or flight of stairs; great pal-pitation of the Heart; Asthura; Bronchitts and sore Throat; shaking of the diands and Limbs; aversion to society and to business or study; dimness of eyesight; loss of Memory; diziness of the body; pains in the back or limbs, Lum bago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kid-neys and other glands of the body, as Leuchor-riner of Fleur Albus, &c. Likewise Epilepsy; Hysteria and Nervous Spasms. Now in ninety-nue cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, Inown as Tabes Dorsales, and Tabes mesen-terica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practices in treating symptoms only. Dr. Andrew Stone, Physician to the Troy ure to cure, in from half hour to three weeks, as I wish to cure or charge nothing. The Columbus SUN remarks: On Saturday, an old gentleman named Wm. C. Osborne, well known in our city, who, from rheumatic affections, has not been able to walk or use his hands sufficient to feed himself, for mor-then ten years, was brought to Prof. De Grath on the street, where in the presence of a large assemblage of people, he applied De Grath's Electric Oil to one arm and shoulder. He was immediately enabled to fraise his hand to his immediately enabled to raise his hand to his head and scratch it, a thing he said he hae not done before in twelve years.

not done before in twelve years. The New Hampshire Patriot says: During the present week, no less than six of our friends, who have been induced to try Prof. De Grath's Electric Oil for Rheumatism and Deafness, in consequence of having seen this prearation advertised in our colemns, have called upon us to state the result of experi-ments. These persons assure us that their Rueumatic pains have been entirely cured by u few applications of De Grath's Electric Oil, and they recommend its use to all who are

and they recommend its use to all who are afflicted with any of the diseases which it is designed to cure. It seems that Rheumatism, Denfness, Neu-ralhia, Swollen and Stiff Joints, and other Complaints to which we are all subject, have lost their terrors. Prof. De Grath's Electric success on the part of old school practices in treating symptoms only. Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institution, is now en-gaged in treating this class of modern mala-dies with the most astonished success. The treatment adopted by the institution is new; foil is warranted to relieve any case in a short space of time, and with a trifling expense. It always cures Scratches, Sprains, Galls and Splints on horses. it is based upon i.c. entific principles, with new discovered remedies, without minerals or poi-sons.
