MARIETTA: SATURDAY, AUGUST 15, 1863.

Captain Robinson of a Michigan regiment, who was wounded at Gettysburg, and found lying in a barn amongst some rebel prisoners, by some Mariettians, visiting the battle-field a few days after the battle, and brought by Col. W. H. Eagle, one of the party, to his residence, has sufficiently recovered from his wound—a minnie ball through the fleshy part of the leg between the hip and the knee—to return to his home in Michigan. It will be some time, however, before he will again be able to take the field.

William Allwin, who was drafted from the borough of Marietta, has placed himself in a peculiar predicament by obtaining exemption on fraudulent pretense. He was exempted by the majority of the Board of Enrollment on the ground of being the only support of a widowed mother. Provost Marshal Bolenius, however, dissented from this decision, and had the affair fully investigated, when it was proven that Allwin had three brothers fully competent to provide for the support of their mother, and that the mother was possessed of considerable property.

The largest head of cabbage we have seen this season was thrown into our arms a few days since, from the Grider Vegetable flat, which passes through town, regularly, every Tuesday and Friday afternoons. Mr. G.'s flat brings some of the finest vegetables that are brought to our place. This head of cabbage was truly a monster.

The Borough Dog Law went into force on Wednesday last. Shut up or muzzled or have them shot by the "Borough Dog Pelter." 'Tis a good law—no greater nuisance is tolerated in our borough, than the multitude of pestiferous canines. We say cut every cur's tail off, close up to his ears.

On Saturday evening, August 29th, between the hours of 6 and 8 o'clock, in the Town Hall School Room an election for 3 or 5 delegates will be held to represent this borough in the County Convention to be held in Fulton Hall, Lancaster, on the Wednesday following.

On to-morrow a-week, Sunday, August 23d, the Sabbath School attached to the M. E. Church, will have their quarterly exhibition and sermon and address to the children. The exercises are instructive and interesting both to the old and the young.

Admiral Farragut has arrived at New York. Among the Admiral's staff at New York, we notice the name of Surgeon J. M. Poutz, who occupied the position of fleet surgeon. Dr. F. is a native of Lancaster, but has many years connected with the navy.

Mr. Stibgen's new residence, adjoining the Banking House, is now to be pushed forward to completion, and when finished will be an ornament to that portion of the borough.

We neglected to mention in our last, the death of one of the oldest and most substantial farmers in East Donegal township, Mr. Andrew Hiestand.

The President's Thanksgiving day was very generally observed in this place; the stores were closed and service held in the churches.

We are under continued obligations to Mr. W. W. Reitzel, the obliging mail agent on this route, for late city and southern papers.

Col. Emilen Franklin's Regiment has arrived in Lancaster, where it will be paid off and mustered out this day.

Our thanks are due Rev. A. B. Grosh and Mr. William Child, of Washington city for public favors.

The Ladies of the Patriotic Circle forwarded to Gettysburg July 28th, three barrels and four boxes, containing the following articles:

The Circle, through Miss Emma Rudisill, their attentive and obliging secretary, received the following acknowledgment and receipt for the boxes and barrels:

Received, Gettysburg, July 30, 1863, from the "Ladies of the Patriotic Circle of Marietta," three barrels and four boxes, containing various stores and supplies for the pressing wants of the wounded and needy in Gettysburg.

Miss Emma Rudisill: Receive in my name, and in the name of many suffering persons, our cordial thanks for the very liberal supplies acknowledged above. They arrived in excellent order and condition and will be faithfully applied and distributed according to the intentions of the benevolent donors. Even after all the efforts made by the Sanitary and Christian Commissions, we find daily opportunities for adding to the comfort of the suffering from such stores as you have sent; the supplies have been large, but the wants are still severely felt.

May God bless the generous givers abundantly for their active aid at a time when it is so sorely needed. Please to express to the Ladies of the Circle our sincere acknowledgements for their promptness and liberality, and with many thanks to you for your kind letter, I am, very respectfully, CHARLES F. SCHAEFFER.

The Union Republican County Committee of this county has fixed upon Wednesday, September 2d, for holding of the County Convention, for the purpose of nominating State and County officers to be supported at the ensuing October election. A call for the Convention has been issued, inviting the loyal citizens of the county, without distinction of party, who desire cordially to unite in sustaining the National and State Administrations in the present crisis, to meet in their respective districts on the Saturday previous (August 29th), and elect delegates to the said Convention.

Lieut. Col. George Nauman, of the regular army, and a resident of Lancaster, died very suddenly in Philadelphia on Tuesday last. Col. Nauman was stationed in Boston, and was on his way to his home in Lancaster. While at the depot in Philadelphia he was overcome by the heat, fell to the ground and expired in a few minutes. His remains were brought to Lancaster for burial.

The Criminal, or Quarter Sessions Court will commence on Monday next. As usual, Marietta will be well represented on the criminal calendar. The Charles Brady murder, the All Spangler counterfeiting case and the Jason Johnson slander suit being on the trial list.

We have just received a new assortment of job type, cuts, borders, &c., from Johnson's Type Foundry, Philadelphia, which will enable us to do plain and fancy printing, handsomely and at short notice and at the same rates as done in Lancaster.

Johnathan Diffenderfer, an innkeeper at Youtzestown, near Elizabethtown, was arrested and taken to Philadelphia and placed under bail for having purchased a cavalry horse from a deserter.

Monday next being the day on which the conscripts from this borough are to report at the rendezvous, Lancaster, a "gay old time" may be looked for in that city.

The Hanlon property, on Horn street, was purchased on Saturday evening last, by Charles Shillow, butcher, for \$800.

The Patriotic Circle will meet on Friday evening next at Mrs. F. L. Baker's.

Captain John P. Trout, of Company H, Forty-Fifth Regiment, Pennsylvania Volunteers, is on a visit to his home, in this borough. Capt. T. has been absent two years and one month and now returns to take charge of the drafted men designed for his regiment. He looks fine and hearty and says soldiering agrees with him. He entered the three months service as a private and gradually rose to his present position upon the ground of merit. He reports our boys in the 45th as in fine condition, General Welsh, in whose corps the 45th is, is expected home in a few days. Charles R. Grosh, son of Mr. C. C. Pinckney Grosh and grandson of the late Judge Grosh, also made a flying visit home during last week. Charley also looks well; he is in the First Reserves and has been absent for over two years. He is also deputed to escort the drafted men to the reserves.

MARRIED.

On the 16th of June, by Rev. G. M. Clawges, Mr. LEWIS MARTIN, to Miss CATHERINE McCALLA, all of this borough. In Marietta, on the 13th instant, by Rev. Geo. M. Clawges, the Rev. W. H. Summers, of York county, to Miss MARY ANN SMITH, of Adams county.

Universal Clothes Wringer.

No. 1—Large Family Wringer, \$10.00 No. 2—Medium, 7.00 No. 3—Small, 5.00 No. 4—Large Hotel Wringer, 14.00 No. 10—Medium Laundry, (to run by) 18.00 No. 22—Large Laundry, (steam or) 30.00 Nos 22 and 3 have no Cogs—all others are warranted. *No. 2 is the size generally used in private families.

The Universal Clothes Wringer: An child can readily wrap a tubful of clothes in it. It is really a clothes saver! A Time Saver! The saving of garments will alone pay a large per centage on its cost. We think the machine much more than pays for itself every year in the saving of garments. There are several kinds, nearly alike in general construction, but we consider it important that the Wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank shaft slip and tear the clothes, or the rubber break loose from the shaft. Our own is one of the first make, and is as good as new after nearly four years constant use.

First National Bank of Marietta. OFFICE OF COMPTROLLER OF THE CURRENCY. WASHINGTON, July 15th, 1863. WHEREAS, by satisfactory evidence presented to me, there are several kinds, nearly alike in general construction, but we consider it important that the Wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank shaft slip and tear the clothes, or the rubber break loose from the shaft. Our own is one of the first make, and is as good as new after nearly four years constant use.

First National Bank of Marietta. THIS BANKING ASSOCIATION HAS COMPLETED ITS ORGANIZATION AND IS NOW PREPARED TO TRANSACT ALL KINDS OF BANKING BUSINESS.

THE SOLDIER'S TRUE FRIEND ALWAYS READY.

HOLLOWAY'S OINTMENT—Long marches, sore and stiff joints, blistered and inflamed feet, all these the Soldiers must endure. Mothers, REMEMBER THIS, when your sons are grasping their muskets to meet danger, think what relief a single pot of this A. L. L. HEALING & COOLING Salve will give to the one you love when far away from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for Sore Cuts and GENESSOR WOUNDS it stands unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wound.

See to your own health, do not trust to the Army supplies, although they are reliable. These Pills and Ointment have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these Great Remedies, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These are the only and fatal enemies of the SOLDIER IN CAMP.

Diarrhea, Dysentery, Scoury, Sore and Scrofulous Eruptions, all disappear like a charm before these Pills and Ointment, and now while the cry rings throughout the land, TO ARMS!—TO ARMS!

Do not let these brave men perish by disease! Place in their hands these Precious Remedies that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequently get succour in the moment of need, whereas our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

IMPORTANT CAUTION!—None are genuine unless the words "Holloway, New York, and London" are discernible as a Water-mark in every leaf of the book of directions around each pot and box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any reader who furnishes information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
