The Columbus Sun remarks: On Saturday,
an old gentleman named Wm. C. Osborne, an old gentleman named Wm. C. Osborne, well known in our city, who, from rheumatic affections, has not been able to walk or use his hands sufficient to feed himself, for morhen ten years, was brought to Prof. De Grath in the street, where in the presence of a large assemblage of people, he applied De Grath's Electric Oil to one arm and shoulder. He was immediately enabled to raise his hand to his head and scratch it, a thing he said he hae not done before in twelve years.

The New Hampshire Patriot says: During the present week, no less than six of our

the present week, no less than six of our friends, who have been induced to try Prof. De Grath's Electric Oil for Rheumatism and Deafness; in consequence of having seen this prearation advertised in our colemns, have called upon us to state the result of experiments. These persons assure us that their Rueumatic pains have been entirely cured by a few applications of De Grath's Electric Oil, and they recommend its use to all who are afflicted with any of the diseases which it is

designed to cure.

It seems that Rheumatism, Deafness, Neuralhia, Swollen and Stiff Joints, and other Complaints to which we are all subject, have lost their terrors. Prof. De Grath's Electric Oil is warranted to relieve any case in a short space of time, and with a trifling expense. It always cures Scratches, Sprains, Galls and Splints on horses.

A TREATISE on the causes of early Physical decline of American people: The cause of Nervous Debility, Consumption and Marasmus. the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of eld school practices in treating symptoms only.

Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern maladtes with the most astonished success. The treatment adopted by the institution is new; it is based upon scientific principles, with new discovered remedies, without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent by mail or express. Printed interrogatories will be forwarded on application.
