The Lancaster Examiner winds up a long and scathing article on the fizzle of a mass copperhead meeting in that city, thus: "Old Mr. Buchanan was in town and looked perfectly happy and Friday next, October 3d, that is the last contented, particularly when surrounded day. by the Harrisburg roughs, who all gave him a hearty shake of the hand, and seemed particularly anxious to form his better acquaintance. Their importunity at last became annoying and the old man's special keeper, Joe Baker, of Custom House notoriety came to his On Friday, October 25th, Miss Maria Rigrelief, and bribed or coaxed them to leave him go. Under the lead of the indefatigable Joe, he soon arrived in front of Michael's Hotel, where the more pretentious and better dressed copperheads gave three ghostly cheers for Buchanga and Woodward. Poor old man! His bitterest enemy must have pitied sumption-is anxious to make known to his him, as even in the "sear and yellow leaf" of his life, the men who have grown rich on his imbecility grudgingly extend to him the courtsey due old age.

Jarvis U. S. A. Hospital, Baltimore, Sep. 22, 1863.

Dear friend Baker:-I am happy to inform you that I arrived safely at my post of duty at 6 o'clock last evening. All were glad to welcome me back, and pleased to find me almost entirely recov. ered from my poisoned wound. To day I again entered upon my duty and feel bright and cheerful.

It was very painful to my feelings to be unable, whilst at home, to call on my numerous patrons and friends, for I soon THE Two Tickers.—In order that no found that moving around served to irrione may confound the two tickets, we tate my wound, and hence, I had to forethis week present both. We had a delightful concert last evening for the gratification of the sick and wounded at this hospital. The Brass Band of the 8th Army Corps, and the Baltimore Union Relief Singing Association gave us the benefit of their assistance, and I do assure you, the boys enjoyed themselves. Surgeon Cox favored us with quotations from Shakspeare's "Tempest," and one of the soldiers with a comic speech, thus five hundred of our convalescents and many guests were delightfully entertained; you will observe that we care for the comforts of our sick and wounded-physically and mentally, for such entertainments are invaluable and greatly facilitate recovery; they will

be repeated every Thursday evening. I will always be glad to see any of my Pennsylvania friends. Truly, your friend,

The Ladies of the Patriotic Circle have a special invitation, but ALL are invited-men and women-boys and girls. A collection will be taken up at the close.

Just before going to press, on Friday afternoon, we paid a flying visit to the Horticultural exhibition, in Temperance Hall, and notwithstanding the character of East Donegal for fine fruits and vegetables, we were really surprised at the display. It would favorably compare with any County exhibition for fruits and vegetables we have ever seen. A full description will appear in our

### Friends & Relatives of the Soldiers & Sailors,

OLLOWAY'S PILLS AND OINT-MENT.—All who have Friends and Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ontment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better pres-ent can be sent them by their friends. They have been proved to be the Soldier's neverfailing-friend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box. Sick Headache and want of Appetite Incident

to Soldiers! Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed prespiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to do well.—The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

tion in both liver and stomach, and as a natural consequence a clear head and good appelite. Weakness and debility induced by over Faligue, Will soon disappear by the use of these in valuable Fills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the great mistake, for these Pills will correct the liver and stomach and thus remove all the aerid humours from the system. This medicine will give toue and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

. VOLUNTEERS ATTENTION! Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Outment be freely used as stated in the printed nstructions. If treated in any other manner they dry up in one part to break out in another. Whereas this O'in tment will remove the former from the system and leave the Patients in vigorous and healthy man. It will require as little perseverance in bad cases to insure a lasing cure.

For Wounds either occasioned by the Bayonet Sabre or the Bullet, Sores or Bruises, To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment.— The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, ther cover it with a piece of linen from his Knap-sack and compressed with a handkerchief.— Taking night and morning 6 or 8 Pills, to cool the system and prevent inflamation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these invalua-

ble Remedics. IMPORTANT CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Waterand LDNDON, are discentible as a water-mark in every leaf of the book of directions, around each pot or box; the same may be plainly seen by holding the leaf to the light.— A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting
