COLLEGE, N. E. corner of 7th & Chestnut Sts.

PHILADELPHIA. This Institution, which was established w 1844, and is now consequently in the eight-eight year of its existence, numbers among its graduates, hundreds of the most successful Merchants and Business Men in our Country. The Object of the Institution is solely to

afford young men facilities for thorough preparations for business.

The Branches taught are, Book-keeping, as applicable to the various departments of trade; Pennmanship, both plain and ornamental; Commercial Law, Mathematics, Navigation, Civil Engineering, Drawing, Phonography and Modern Languages.

The System of Instruction is peculiar; no

classes or set lessons are made use of, but each student is taught individually, so that he may commence at any time, and attend at what-

ever hours are most convenient.

Catalogues are issued annually after the 15th of April, containing names of the students for the year, and full particulars of terms, &c., and may be obtained at any time by addressing the Principal.

In extensive accommodations, wide-spread reputation, and the lengthy experience of the Principal, this Institution offers facilities superior to any other in the country, for young men wishing to prepare for business, and to obtain A DIPLOMA, which will prove a recommendation for them to any Mercautile House. Crittenden's Series of Treatises on Book Keeping, new more widely circulated than any other work on the subject, are for sale at

the College.

Wonderful Cures on Man and Beast

A VALUABLE MEDICINE! PROPOSE to cure, almõst instantaneously,

PROPOSE to cure, almost instantaneously, individuals afflicted with Deafness, Headache, Neuralgia, Chill Fever, Ague, Rheumatism, and all Sores and Pains,
I propose to check and effectually dissipate more ache and pain, and to accomplish nearer and more perfect equilibrium of all the circulating fluids in the human system, than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.

medical and in the same space of time, the masses themselves being judges.

I do not propose to cure every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on chemical and electric principles, and is, therefore, applicable to the cure or natural contention of our commit decements with restoration of any organic derangement, aris-ing from an improper circulation of Nervous vital fluid.

I want the masses to join in this matter—

the well as the sick, because if these things are so, all are alike interested.

N. B. Please inform me of any case of failure to cure, in from half hour to three weeks, as I wish to cure or charge nothing.

The Columbus Sun remarks: On Saturday, and degree themselves are the contents.

an old gentleman named Wm. C. Osborne, well known in our city, who, from rheumatic affections, has not been able to walk or use affections, has not been able to walk or use his hands sufficient to feed himself, for morthen ten years, was brought to Prof. De Grath on the street, where in the presence of a large assemblage of people, he applied De Grath's Electric Oil to one arm and shoulder. He was immediately enabled to raise his hand to his head and scratch it, a thing he said he hae not done before in twelve years.

The New Hampshire Patriot says: During the present week, no less than six of our friends, who have been induced to try Prof. De Grath's Electric Oil for Rheumatism and Deafness, in consequence of having seen this prearation advertised in our colemns, have called upon us to state the result of experi-

prearation advertised in our columns, have called upon us to state the result of experiments.
