A meeting of the citizens of Middletown, Dauphin county, long the home of General Cameron, was held a few days since to express their disapproval structions in this art. Thousands of Soldiers of the removal of Walter H. Kendig, are making money rapidly at it. Nogperson from the rost office of that place. The has to be urged to patronize it. It is a thing old Winnebago, it is said, had Kendig that takes better than anything ever before appointed, but because Kendig would offered. You can make money with it home not do all the dirty work wanted, he was removed, through the same influence which had him appointed, and a sister of Cooney Walborn, the Philadelphia P. This meeting was officered by the best and most influential citizens of the placeand passed strong resolutions against the removal of Keudig, speaking of him as an obliging, icompetent and worthy officer, and asking the P. M. General to re-instate him.

The Mount Joy Herald complains of the chicken thieves in that vicinity, stating that over one hundred had been stolen during last week, from Main street alone. Perhaps our neighbors have had a visit from some of our Marietta poultry merchants, who, during One, Dollar sent to me will insure the prompt last winter, relieved quite a number of return of a card of instructions in the art .roosts in the vicinity of Market Square. The money will be returned to those who are not If that "dough bake" tries its operations on again this winter some exposures will be made that will make some who think themselves "some," feel rather chop fallen. "Let the truth be told though the heavens fall."

The prospect of building, the coming spring, is very fair. Miss Franck has purchased a triangle between the town hall and Cassel's corner, on which she intends to erect a very fine brick dwelling. The Farmer's and Gardener's Society of East Donegal held a meeting on Thursday evening last, and decided on having a winter course of lectures, essays, discussions upon practical farming etc., on the 3d Thursday in every month, in the Temperance Hall. We know of no place where an evening could be more profitably spent, than in listening to an ing, sore throat, nail in the foot, ect. There was but one Copperhead vote polled at the late election, in Newtown, Rapho township, this county, and no one is willing to father it. The Mt. Joy Herald says it was supposed to have been snaked in by one Jacob Gipe, but he stoutly denies it, declaring that he voted for Curtin.

A Fortune for All!

EITHER MEN OR WOMEN!! NO HUMBUG, but an ENTIRELY NEW thing. Only three months in this country ! No clap-trap operation to gull the public, but a genuine money-making thing! Read the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS SOME DAYS! giving inor abroad—on steamboats or railroad cars, and in the country or city. You will be pleased in pursuing it, not only because it will yield a handsome iocome, but also in consequence of the general admiration which it elicits. It is pretty much all profit. A mere trifle is necessary to start with.

There is scarcely one person out of thousands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do send for instructions will have a broad field to make money in. There is a class of persons in this world who think because the have been numbugged out of a dollar or so, that everything that is advertised is a humbug. Consequently they try no more. The person who succeeds is the one that keeps on trying until he hits something that pays him.

This art cost me one thousand dollars, and 1 expect to make money out of it-and all who purchase the art from me will do the same .-
