Several real estate sales have occurred in our place within the past few weeks, with the following results : The Judge Grosh mansion, together with two adjoining lots, on Front street, to Rev. A. B. Grosb, for \$1690:00; twelve river lots to A. N. Cassel and Abraham Summy for \$550:00; the triangle in the rear of the residence, to Philip Troutwine, for \$209:00. James Whitehill sold a two-story frame dwelling housenew-situated half-a-square above Mar. ket square, on Market street, to F. L. Baker, for 1021:00; a small dwelling a few doors east of the above, to Israel Goodman, for \$210:00 ; 23 acres of farm land adjoining the borough, near the Maytowa road, to James Mehaffey, for \$225:00 an acre; 5 acres to John M. Whitehill, for \$185:50 per acre; a small dwelling on the Mountjoy road, near the Sultzbach tannery to John M. Whitehill, for \$190:00. Mr. Whitehill still has several very desirable properties, which he will sell reasonable, at private sale.

We have tested in our family some Cane Syrup manufactured for Henry M. Engle, by Uyrus Lenhart, on cated. Cook's Evaporator, and regard it equal in brightness of color, density of body and richness of flavor, to the best refined syrups produced in our eastern cities. Such satisfactory results must encourage further efforts in the growth and manufacture of sugar cane, until finally we shall have our sweets both of Syrap and Sugar produced by Laucaster county soil.

We understand that Governor Curtin has conferred the appointment of Quartermaster General of Penusylvabis, made vacant by the late incumbent, General Reuben C. Hale, upon James L. Reynolds, Esq., of Lancaster county. Mr. Reynolds occupied a prominent position in the Democratic party until the treacheries of Mr. Buchanap, when he discarded that organization, and has since been actively co-operating with

the friends of the Government. The brave and never-to-be-forgotten General John F. Reynolds was a brother of the new Quartermaster General. What renders this prompt action of the Governor more honorable, after his triumphant election, is the marked manner in which he recognizes the loyal Democratic element, which contributed so effectually to the success of the Governor on the 13th of last month - Forney's Press.

A communication in the last Columbia Spy complains in this manner of the crowd at the post office of that place: "I have for sometime thought that dry-goods were on the decline, for the amount of misses hoops that are crowded into the post office at mail hours are almost enough to load a fourhorse team. Wouldn't it be well for the Town Council to pass an ordinance that not more than five hundred girls should be allowed to visit the post office at once." This nuisance, for 'tis truly nothing else, has wonderfully grown at our post office, too. For an hour before and an hour after the arrival of the evening mail, our post office is literally crowded with half-grown and full grown girls and boys who can hardly have any possible business there, and yet the same pack are nightly seen

A correspondent in the Pennsyl vania 45th, writing to the Columbia Spy, asks whether the citizens of Columbia have moved in the matter with reference to putting up a suitable monument to the memory of the late lamented General Welsh. If it is being done he says "the 45th is ready to do her part." To this inquiry the Spy says : "We do not know that there is any movement of sonably, as taste or style may suggest. the kind on foot-but it should be done at once : let us commence now, to cre-

COUGHS AND COLDS AFFECTING TROOPS. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick Headache and want of Appetite Incident to Soldiers !

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed prespiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liverand stomach. These organs must be relieved, if you desire to do well.— The Pills, taking-according to the printed instructions, will quickly produce a healthy ac-tion in both liver and stomach, and as a natu-ral consequence a clear headand good appeilte. Weakness and debility induced by over Faligue, Will usen dismostrant but he are of these in-Wakness and debility induced by over Fatigue, Will soon disappear by the use of these in. valuable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or anduly actede upon. It may seem strange that Holloway's Pills should be recommended for Dysenter; and Flux, many persons supposing that thes would increase the relaxation. This is a, great mistake, for these Pills will correct the liver and stomach and thus remove all the actid humours from the system. This medi-cine will give tone and vigor to the whole organic system however deranged, while organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTION !

Sores and Ulcers, Blotches and Swellings can with certainty be radicallysecured if the Pills are taken night and morning, and the Outment be freely used as stated in the printed astructions. If treated in any other hanner they dry up in one part to break out in shother. Where is this Q in tment will remove the former from the system and leave the Patients in vigorous and healthy man. It will require as little perseverance in bad cases to insure lastng cure.

For Wounds either occasioned by the Bayonet Sabre or the Bullek, Sores or Bruises,

Sabre or the Builes, Sores or Brusses, To which every Soldier and Sailor are liable there are no medicines so saids sure and con-venient, as Holloway's Pills and Ointment.— The poor "wounded and almost dying sufferer might have his wounds-dressed immediately, if he would only provide himself with this matchless Ointmend, which should be 'hrust into the wound areas all scound it hoos into the wound and smeared all around it, then cover it with a piece of linen from his, Knap-sack and compressed with a handkerchief.----
