A Fortune for All!

EITHER MEN OR WOMEN !! NO HUMBUG, but an ENTIRELY NEW thing. Only three months in this country ! No clap-tran operation to gull the public, but a genuine money-making thing ! Road the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS SOME DAYS! giving instructions in this art. Thousands of Soldiers are making money rapidly at it. No person has to be urged to patronize it. It is a thing that takes better than anything ever before fiered. You can make money with it home or abroad-on steamboats or railroad cars. and .n the country or city. You will be pleased in pursuing it, not only because it will yield a handsome income, but also in consequence or the general admiration which it elicits. It is pretty much all profit. A mere trifle is necessary to start with.

There is scarcely one person out of thousands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do send for instructions will have a broad field to make money in. There is a class of persons in this world who think because the have been humbugged out of a dollar or so, that everything that is advertised is a humbug. Consequently they try no more.
