by those who have other preparations, which they desire to palm off upon the strength of the popularity of my Drops, and who recommend their own nostrums, thus appropriating to themselves the constant demand for my Periodical Drops, as a medium for selling something which is worthless and inefficient. But when the Druggist you apply to has not got them, either make him buy them for you, or else enclose one Dollar to the nearest general wholesale agent, who will return you a Bottle by return Express.

You will thus save yourselves trouble and obtain relief from the greatest Female Regulator of the Nineteenth Century.

Over 25,000 Bottles of this medicine have been sold within the last six months, and every Lady that has used them, but for the nature of the cure, would furnish us with a sworn certificate of their efficacy. It takes but one Dollar to make the experiment, and I appeal to those of your sex who are suffering—who you waste away when a single Dollar will give you instant relief!

No. 4.—Large Hotel Wringer, 5.50
No. 5.—Medium Laundry, (to run by hand), 14.00
No. 6.—Medium Laundry, (to run by steam or gas), 30.00
Nos. 2, 3 and 4 have no Cogs—all others are warranted.
No. 2 is the size generally used in private families.
Orange Judd, of the American Agriculturist, says of the Universal Clothes Wringer:

"A child can readily wring out a tubful of clothes in a few minutes. It is really a clothes saver! A Time Saver! The saving of garments will alone pay a large percentage on its cost. We think the machine much more than pays for itself every year in the saving of garments! There are several kinds, nearly alike in general construction, but we consider it important that the Wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank shaft slip and tear the clothes, or the rubber break loose from the shaft. Our own is one of the first make, and it is as good as new after nearly four years constant use."

Every Wringer with Cog Wheels is warranted in every particular.
No Wringer can be durable without Cog-wheels.
A good Canvasser wanted in every town.
On receipt of the price from places where no one is selling, we will send the Wringer free of expense.

A Fortune for All!

NO HUMBUG, but an ENTIRELY NEW thing. Only three months in this country! No clap-net operation to gull the public, but a genuine money-making thing! Read the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS some days! giving instructions in this art. Thousands of Soldiers are making money rapidly at it. No person has to be urged to patronize it. It is a thing that takes better than anything ever before offered. You can make money with it at home or abroad—on steamboats or railroad cars, and in the country or city. You will be pleased in pursuing it, not only because it will yield a handsome income, but also in consequence of the general admiration which it elicits. It is pretty much all profit. A mere trifle is necessary to start with.

There is scarcely one person out of thousands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do send for instructions will have a broad field to make money in. There is a class of persons in this world who think because they have been humbugged out of a dollar or so, that everything that is advertised is a humbug. Consequently they try no more. The person who succeeds is the one that keeps on trying until he hits something that pays him.

This art cost me one thousand dollars, and I expect to make money out of it—and all who purchase the art from me will do the same. One Dollar sent to me will insure the prompt return of a card of instructions in the art. The money will be returned to those who are not satisfied.

THE EARLY PHYSICAL

DEGENERACY OF
AMERICAN PEOPLE.

JUST PUBLISHED BY DR. A. STONE,
Physician to the Troy Lung and Hygienic Institute.

A TREATISE on the causes of early Physical decline of American people: The cause of Nervous Debility, Consumption and Marasmus. This work is one of high moral tone, written in a plain, yet thrilling language, and appeals direct to the moral consciousness of ALL PARENTS and guardians especially, detailing scientific and reliable aids and treatment for cure.

It will be sent by mail on the receipt of two three cent postage stamps.
Parents and Guardians! Fail not to send and obtain this book.
Young men! Fail not to send and get this book. It should be at once secured. A copy of this book.

A word of solemn conscientious advice to those who will reflect.
A class of maladies prevail to a fearful extent in the community, amounting to at least 100,000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Their early manifestation, or symptoms are Nervous Debility, Relaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or slight exertion; Irritation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hands and Limbs; aversion to society and to business or study; dimness of eyesight, loss of Memory, dizziness or giddiness. Pain in the stomach, indigestion; Pains in the back or limbs, Lumago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leucorrhoea of Females, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs, and the most morbid and wily form of Consumption of the Spinal Nerve, known as Tabes Dorsales, and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success in part of old school practices in treating symptoms only.

Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institute, is now engaged in treating this class of modern maladies with the most astonishing success. The treatment adopted by the Institute is new; it is based upon scientific principles, with new discovered remedies, without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent by mail or express. Printed interrogatories will be forwarded on application.

Consumption, Catarrh and diseases of the Pelvic Viscera, &c., can be cured at the Patients as at the Institute, by sending the Cold Medicated Inhalant Balsamic Vapors, with inhaler and ample directions for their use, and direct correspondence.
The attending Physician will be found at the Institute for consultation, from 9 a.m. to 9 p.m., each day.
Sunday in the forenoon.

Kunkel's Bitter Wine of Iron.

FOR the cure of Weak Stomachs, general debility, indigestion, diseases of the Nervous System, constipation, acidity of the stomach and for all cases requiring a Tonic.

This Wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Magnetic Oxide combined, with the most energetic of vegetable tonics, Yellow Peruvian Bark. The effect in many cases of debility, loss of appetite, and general prostration, of an efficient Salt of Iron, combined with our valuable Nerve Tonic, is most happy. It augments the appetite, raises the pulse, takes off muscular flabbiness, removes the palor of debility, and gives a solid vigor to the constitution. Do you want something to strengthen you? Do you want a good appetite? Do you want to build up your constitution? Do you want to feel well? Do you want to get rid of nervousness? Do you want energy? Do you want to sleep well? Do you want a brisk and vigorous feeling? If you do, try KUNKEL'S BITTER WINE OF IRON!

This truly valuable Tonic has been so thoroughly tested by all classes of the community, that it is now deemed indispensable as a Tonic medicine. It costs but little, purifies the blood, gives tone to the stomach, renovates the system, and prolongs life. I now only ask a trial of this valuable Tonic.

COUNTERFEITS.—As KUNKEL'S Bitter Wine of Iron is the only pure and efficient remedy in the known world for the permanent cure of Dyspepsia, Debility, and as there are a number of imitations offered to the public, we would caution a community to purchase none but the genuine article, manufactured by S. A. Kunkel, and has his stamp on the top of the cork of every bottle. The very fact that others are attempting to imitate this valuable remedy, proves its worth and speaks volumes in its favor.

The Bitter Wine of Iron is put up in 75 cent and \$1.00 bottles, and sold by all respectable Druggists throughout the country. Be particular that every bottle bears the fac-simile of the proprietor's signature.
