## A Fortune for All! EITHER MEN OR WOMEN!!

NO HUMBUG, but an ENTIRELY NEW thing. Only three months in this country ! No clap-trao operation to gull the public, but a genuine money-making thing! Read the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS SOME DAYS! giving instructions in this art. Thousands of Soldiers are making money rapidly at it. No person has to be urged to patronize it. It is a thing that takes better than anything ever before offered. You can make money with it home or abroad-on steamboats or railroad cars, and in the country or city. You will be pleased in pursuing it, not only because it will yield a handsome income, but also in consequence of the general admiration which it elicits. 'It is pretty much all profit. A mere trifle is necessary to start with.

There is scarcely one person out of thouands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do send for instructions will have a broad field to make money in. There Is a class of persons in this world who think because they have been humbugged out of a dollar or so, that everything that is advertised is a humbug. Consequently they try no more. The person who succeeds is the one that keeps on trying until he hits something that pays him.

This art cost me one thousand dollars, and expect to make money out of it-and all who purchase the art from me will do the same.-One Dollar sent to me will insure the prompt eturn of a card of instructions in the art.-The money will be returned to those who are not

Parents and Guardians! Fail not to send and obtain this book.

A: Young men! Fail not to send and get this book. Ladies you should at once secure a

copy of this book. A word of solemn conscientious advice to those who will reflect.

A class of maladies prevail to a fearful extent in the community, dooming at least 100,-000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or symptoms are Nervous Debility Relaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of starrs; great pal-pitation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hands and Limbs; aversion to society and to business or study; dimness of eyesight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumbago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leuchor-rhær of Fleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practices in

treating symptoms only Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern mala-dies with the most astonished success. The treatment adopted by the institution is new; it is based upon scientific principles, with new discovered remedies, without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent by mail or express. Printed interrogatories will be forwarded on application.

Consumption, Catarrh and diseases of the throat cured as well at the Home of the Patients as at the Institution, by sending the Cold Medicated Inhaling Balsamic Vapors, with inhaler and ample directions for their use, and direct correspondence.

Patients applying for interrogatives or advice, must enclose return stamps, to meet To The attending Physician will be found at the Institution for consultation, from 9 a. n. to 9 p. m., each day.
