Friends and Relatives OF THE BRAVE SOLDIERS & SAILORS.

HOLLOWAY'S PILLS & OINTMENT.

ALL WHO HAVE FRIENDS AND Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no letter present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Coughs and Colds affecting Troops Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions contained in each. For other particulars, see the Sick Headache and want of Appetite Incident to Soldiers.

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthy action of the liver and stomach. These organs must be relieved, if you desire to do well.

Weakness and Debility induced by OVER FATIGUE. Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon.

It is so well to be forearmed against disease, and so far as the human system can be protected by human means against mistakes, engendered by an unwholesome atmosphere, impure water and other external causes, may be relied on as a safeguard.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Holloway's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant, but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.
