### Marietta, Pa., Saturday, February 13, 1864.

Wanted. A boy between fifteen and sixteen years of age, to learn the Printing business. Inquire at this office.

At a meeting held on Saturday evening last, J. J. Libhart in the chair, G. H. Ettla, secretary, relative to devising ways and means to furnish volunteers to fill the quota of Marietta. The committees appointed at a previous Dye know and feel that their secret is secure. meeting reported three thousand dol. No mortal eye can distinguish the blacks and lars as having been raised. A commit. browns produced by this dye from those imtee of five was then appointed to have the entire management of the matterthe following gentlemen composing that committee: W. H. Eagle, G. W. Mehaffey, S. C. Hiestund, Amos Bowman and G. H. Ettla. Mr. Ettla was then and the most beautiful gloss and great vitality selected by the meeting to proceed to to the hair. Manufactured by J. CRISTADORO, Washington and obtain, if possible, the comect quots of our borough, and to procure a credit of 70 men, who, as yet, have never been credited to our place, having left and entered the service at the breaking out of the rebellion. Mr. Ettla was instructed to procure the services of Mr. Sullivan S. Child, of Harrisburg, to accompany him to Washington to present our rights before the War of its great effect are chronicled through our Department, Mr. Child having consider- principal public journals. There is nothing able experience in that line. We hope something will be done, and be done soon, for we know of several young men having left this place already and enlisted elsewhere, because of there being nothing definite here, in regard to bounty.

We are glad to learn that our Ladies' Patriotic Circle is doing everything that can be to have a creditable representation at the Lancaster Soldiers' Fair. We are requested to state that all contributions intended for the fair be sent to Mrs. Barr Spangler, on Tuesday next, the 16th instant, and that the name of the doner be marked upon every article. Below we give the let- over-heated or driven horse. For colic and ter of Mrs. Rosina Hubbey, inviting our Circle to participate:

LANCASTER, February 2, 1864. Mrs. Thomas Zell: My dear friend: -I write a few lines to inform you, and through you, the Ladies of your Society, that there will be a place assigned for the Marietta Ladies, so that they can come and dispose of their own goods .-We would suggest that two of your ladies would come to attend to the tables, and bring a gentieman to act as eashier, ination The medical faculty is invited, as and as many others as can come will be warmly welcomed, to attend the Fair.

Hoping to see you and many others during the week of the 22d, I am

Yours, truly, ROSINA HUBLEY.

We are indebted to Captain John F. Trout of the Penusylvania Forty-Fifth, for copies of Brownlow's "Knoxville Whig, and Rebel Ventilator."-The Forty-Fifth being in the vicinity of that city.

Since the above was put in type, the Captain has returned to his home in this borough, his company having re-enlisted and received thirty days furlough. He looks very fine and says the boys of the 45th are all the same. The regiment, with the exception of eleven, reenlisted.

Our town has been quite enlivened by the return of the Marietta boys in the Forty-Fifth. They all appear in fine spirits and look as hardy as pine knots. They all go back for the war -It appears to us something should be done in the way of a public reception to these brave boys.

We are pleased to learn, through Mr. Stehman, the ticket agent, that excursion tickets will be issued by the P. R. R. for the Soldier's Fair at Lancaster. They will be sold on the 22d and every day during the week, good from Monday until Saturday. They must be asked for, as they are only intended for those visiting the fair.

Smith, the hotel thief, sentenced at the January court to prison for ten years and three months, escaped a few nights since. Who's fault? Cadwell's Cremer's-or the incorruptable prison inspectors? Somebody's to blame.

The Lancaster County Soldiers' Fair, from present indications, will be a most complete success. Messrs. John W. Clark, Thomas Zell and S. Patterson Sterrett compose the soliciting committee for this borough.

Sick Headache and want of Appetite Incident to Soldiers! Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed arise from trouble or annoyances, obstacted prespiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to do well.—The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a mainral consequence a clear head and good appente. Weakness and Debility induced by

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the howels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humours from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine. OVER FATIGUE.

VOLUNTEERS ATTENTOIN! Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed nstructions. If treated in any other manner they dry up in one part to break out in another. Whereas this O in t ment will remove the humors from the system and leave the patient a vigorous and healthy man.
