We were shown, a few days since, one of the finest pieces of mechanism we had ever seen before. Mr. II. D. Benjamin, with a great deal of genius, worked out a most tastefully beautiful "Bird-House." The most of the work was done with a common jack knife. It is two-stories high with eight bird apartments on the first story and four on the second; it has an imitation slate roof, beautiful door-ways, four beautiful goddesses-one in the middle of each front-having four fronts. The whole surmounted by a beautiful miniature flug and flug-staff. It is intended for the Soldiers' Fair at Lancaster, next

"Old John White"-class leader John White got into a bad fix on Wedneeday last whilst on his way to Philadelphia to be his sixth son off under Uncle Sam's flag. John passes at home in this place as rather a "pious old darkee." He is charged with taking Mrs. Hill's-also a lady of color-pocket-book, containing \$18; he was searched and the money found on his person -Instead of getting to Philadelphia, be got into the County Prison.

For sale at this office. - Several copies of steel engravings of Washington, Everett, Washington Irving, the Last Supper, the Pilgrims leaving home, Washington at 30, and several other fine engravings for parlor ornaments. as In consequence of the great length of the Commissioners' annual statement of the finances of the County, our space for local and general news is greatly curtailed this week, but as we regard this statement as one of great importance to every tax-payer, we publish it, notwithstanding its length.

Our young friend John Spangler has purchased the Hardware establishment of David Roth, and will at once set sail on his own hook. May success attend him.

Just as we were about going to press we received a letter from Sergt .-Maj. Sigmund Wisner of the 79th Pa. Regiment. It will appear in our next. The Susquehanna is again ice-

bound. The intense cold weather of Monday and Tuesday closed it.

Dr. Landis has the celebrated Ambrosia for the hair, for sale, besides a fine lot of new style coal oil lamps.

Commissioners. P. G. EBERMAN, Clerk. Friends and Relatives of the brave SOLDIERS & SAILORS

HOLLOWAY'S PILLS & OINTWENT

A LL WHO HAVE FRIENDS AND Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ountment; and where the with these Phis and Ointment; and where the brave Soldiers and Saliors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's neverfailing-friend in the hour of need.

Coughs and Colds affecting Troops Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box. Sick Headache and want of Appetite Incident

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed prespiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to do well.— The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and according to the printed in the p ral consequence a clear head and good appelite.

Weakness and Debility induced by OVER FATIGUE. Will soon disappear by the use of these in, valuable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux many persons supposing that they and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humours from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTOIN! Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Ountment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a

LASTING CURE. For Wounds either occasioned by the Bayonet Sabre or the Bullet, Sores or Bruises, To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment.—
The poor wounded and almost dying sufferer might have his wounds dressed immediately. if he would only provide himself with this matchless Olutinent, which should be thrust into the wound and smeared all around it, then cover it with a piece of linen from his Knap-sack and compressed with a handkerchief.— Taking night and morning 6 or 8 Pills, to cool the system and prevent inflamation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these invalua-
