THE EARLY PHYSICAL

DEGENERACY OF AMERICAN PEOPLE.

JUST PUBLISHED BY DR. A. STONE, Physician to the Troy Lung and Hygienic Institute.

A TREATISE on the causes of early Physical decline of American people: The cause of Nervous Decility, Consumption and Marasmus. This work is one of high moral tone, written in chaste, yet thrilling language, and appeals direct to the moral consciousness of ALL PARENTS and guardians especially, de-tailing scientific and reliable aids and treat-ment for cure.

It will be sent by mail on the receipt of two hree cent postage stamps.

The Parents and Guardians! Fail not to end and obtain this book.

Young men! Fail not to send and get this book. Ladies you should at once secure a copy of this book. A word of solemn conscientious advice to

those who will reflect. A class of maladies prevail to a fearful extent in the community, dooming at least 100,000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or symptoms are Nervous Debility Relaxation and Exhaustion. Marsaying or westing and aymptoms are Nervous Debility Relaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great papitation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hands and Limbs; aversion to society and to business or study; dimness of eyesight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumbaro, Dyspensia or Indigestion, irregularity of bago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kid-neys and other glands of the body, as Leuchor-rhær of Fleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practices in

treating symptoms only.

Dr. Andrew Stone, Physician to the Troy
Lung and Hygienic Institution, is now engaged in treating this class of modern maladtes with the most astonished success. The treatment adopted by the institution is new; it is based upon scientific principles, with new discovered remedies, without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicine sent by mail or express. Printed interrogato-

ries will be forwarded on application.
37 Consumption, Catarrh and diseases of

use, and direct correspondence. Patients applying for interrogatives or advice, must enclose return stamps, to meet
