There appears to be a rumor affoat here that the rebs are again about making a push towards this state; upon what grounds or authority this rumor was started we cannot divine-but true or false,-we think our veteran soldiers are now wanted at their respective posts and they should return to their regiments immediately, for the rebs, finding many of the men home on furlough. might make a demonstration somewhere, which behooves us to be on our guard. The peaceful borough of Columbia was the scene of a horrible murder some time since. The victim was a young man twenty one years of age, son of Mr. Isaac Hogendobler, who during the evening attended a dance at the tavera of Lawrence Smith, near the rolling mill. While there, he became engaged in a quarrel with another man, whose name is not known, concerning a girl. This was quieted, however, and the stranger and girl left the house together. Soon after their departure Hogendobler followed them, and just as he had overtaken them the stranger turned and discharged a pistol, the ball entoring his abdomen. He lingered until five o'clock the next morning, when he died. The murderer made his es-

Godey for March is out. The circulation of this popular lady's magazine will reach this year, the publisher says, to one hundred and fifty thousand. An immense list. The spring fashions for cloaks, drasses, head-dresses, children's dresses, &c., are quite extensive. Every lady of any pretense, should have Godey in order to be "booked-up" on the fashious. On that point Godey's fashion editor is au fait.

We had a pop-visit from William T. Strachan yesterday morning. W. T. has resided in New Mexico for the past elx years, where he is now engaged in the sutler business and has been elected one of the aldermen of the city of Alburquerque. He is home on a visit to his relations in this place and at i.an\_ caster, where his parents reside.

The Soldier's Fair at Lancaster has immensely outstripped the wildest calculations of the most wild. The Murdock reading on Wednesday eve-Murdock reading on Wednesday eve-ning was a complete success. Governor Harting, Mary Custin being in the city spoke at Ful-Kugle, Lizzie Curtin being in the city, spoke at Fulton Hall. In our next we will give the financial result of this most laudible and successful undertaking.

The Concert on Monday evening at the M. E. Church was a most complete success, in every respect. The audience was large and the entertainment very fine. The assistance which Dr. Worrall received from the Columbia vocalists added very much to the entertainment.

Rev. Mr. Calaway will preach in the M. E. Church next Sabbath evening. Missionary sermon commencing at 61 o'clock. Missionary collection, morning and evening. The scholars and teachers of the Sabbath school will repeat their singing on that occasion.

The cellar for Mr. Duffy's new residence is being dug. From the preparations being made this will be one of the finest dwellings in our borough. It will be immediately opposite the residence of Col. John W. Clark.

## DIED.

At Linden Hall Seminary, Littz, on the 10th

Letter from Sergt.-Maj. S. E. Wisner.

Camp of the 79th Penn. Vol. Infantry, CHATTANOOGA, Tenn., Feb. 13. '64.

Since my last letter the 1st Division, 9th Army Corps has changed camp from the west to the east side of town. The 79th is encamped immediately on the left of Fort Wood: a most beautiful and more healthy place than the site tance to the front is Mission Ridge: a range of hills made historical by the bravery of the "Army of the Cumberland" on the memorable 25th of November, 1863. On the right rises old Lookbelow, while far to the south, mountain after mountain rises in succession until among the hills until lost in the distance. Mission, or more properly Missionary, The Ladies beg leave to acknowledge | Ridge, derives its name from the Moravian missionaries who settled thereon and established schools for the benefit of the Cherokee Indians, in 1798 .to relieve the wants of the soldier .- Through the influence of these missionperity of the Cherokees seemed to annoy Attendance at the meetings is again the white settlers who desired to possess

when General Jackson became Presideut of the United States, he with Mr. Eaton of his cabinet and the legislature of Georgia succeeded in having the Cherokees transferred west of the Mississippi. Many relics and vestiges of indian occupation yet remain. The 79th Penn. Vols. has re-enlisted and entered the veteran service. More than three-fourth's of the required number to retain the old organization have

been sworn in. The rolls are being made out and in a few days we expect er discharged. The government has rather a novel way of preventing its soldiers becoming citizens during the ceremony of mustering out and in. It is obviuted by swenring the soldier in, for three years to come before being the soldier in the system and prevent inflamation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these invaluable Pengliss. for three years to come, before being mustered out for the time be has served.

Many of the regiments responded promptly to President Lincoln's first call for 75,000 men and as there is a fair prospect of the rebellion being speedily crushed, feel desirons of being among those who have been through the war from the beginning to the end.

The regiment expects to get home about the 10th of March. The men will then be furloughed for thirty days, at the expiration of which the regiment will re-organize and remain a short time in the State for recruits and conscripts. There will be many glad hearts in Lancaster county when the news of the reenlistment of the 79th is received .--Many will be happy in anticipation of seeing a father, a brother, or a son who has been absent for two years and a half, fighting the battles of his country; while some will be pleased when they think that the re-enlistment of the 79th makes the quota of Lancaster county 300 less; be not deceived; this joy may be short

The health of the Regiment is good. The cars are running regularly and rations are abundant; the Army of the Cumberland is itself again.

A LL WHO HAVE FRIENDS AND Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. have been proved to be the Soldier's failing-friend in the hour of need.

Coughs and Colds affecting Troops Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box. Sick Headache and want of Appetite Incident to Soldiers!

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed prespiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to do well .-The Pills, taking according to the printe instructions, will quickly produce a healthy ac printed tion in both liver and stomach, and as a natural consequence a clear head and good appeiite.

Weakness and Debility induced by

OVER FATIGUE. Will soon disappear by the use of these in valuable Pills, and the Soldier will quickly acquire additional strength. Never let the upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct th liver and stomach and thus remove all th acrid humours from the system. This medi-cine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTOIN! Sores and Ulcers, Blotches and Swellings can with certainty be radically cured if the Pills are taken night and morning, and the Outment be freely used as stated in the printed nstructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a LASTING CURE.

For Wounds either occasioned by the Bayone Sabre or the Bullet, Sores or Bruises, To which every Soldier and Sailor are liable there are no medicines so safe, sure and con-venient as Holloway's Pills and Ointment. to be mustered out and immediately The pour wounded and almost dying sufferer might have his wounds dressed immediately if he would only provide himself with thi matchless Ointment, which should be thrust into the wound and smeared all around it, then cover it with a piece of linen from his Knap-
