A class of maladies prevail to a fearful extent in the community, dooming at least 100,-000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Now in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lines and that most insidious and will the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practices in

HOSTETTER'S CELEBRATED

STOMACH

A PURE AND POWERFUL TONIC, Corrective and alternative of wonderful effica-

Corrective and alternative of wonderful efficacy in disease of the Stomach, Liver and Bowels; cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depreatsion of Spirits, Constipation, Colic, Intermitten-Fevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly butanical element; no figure excitant, but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS

may be relied on as a safeguard:
In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quining for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few daysby the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated

The weak stomach is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indi-Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and phinless apperent, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, habte to nervous attacks, lowness of spirits and fits of langour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.
