Marietta, Pa., Saturday, March 5, 1864.

OLD BUCK'S MEANNESS.—We understand, says the Lancaster Examiner, that when the committee appointed by the citizens of Lancaster township to collect funds for a local bounty, waited upon ex-President Buchanan they were received very coolly and cavalierly. The "old public functionary" when asked to subscribe, said he did not think it right to raise volunteers in that way; that it was the duty of every young man to serve his country, and he should volunteer his services; that when he was a young man he did so and marched to Baltimore, but that he would hold the matter under advisement, and the committee could call again. The committee (his own immediate neighbors) left with extreme disgust at this unpatriotic and miserly dodge of the old traitor. Afterward, when they were told by an ignorant worshipper of Buchanan, that if they would call he would subscribe, the offer was indignantly rejected. Poorer but better than the old dard of Wheatland had raised the amount necessary, and his money, drawn from the treasury of a government he had done his best to destroy, was considerably and righteously refused.

The Reading and Columbia Railroad will be opened from Reading to Columbia about the 15th of March, the work having been temporarily delayed by a heavy cut through the South Mountain. The Reading Railroad Company will lay a third track from Reading to Sinking Spring (the point of divergence of the new road) to accommodate the additional business.

The following townships have enlisted their quota of men and are therefore clear of the draft which takes place on the 10th inst. —Manheim borough, Manheim township, Warwick, Elizabeth, Elizabethtown borough, Fulton (five short, to be filled by veterans), Pequea, West Earl, Leacock, East Hempfield, East Lampeter, West Lampeter, Conny, Longacre East, (filled by veterans), Lancaster township, Paradise, Sadsbury, (probable), Earl.

Those who, induced by high bounties, are leaving the county, and permitting themselves to be credited to other localities, should remember that the County Commissioners must, of course, refuse to permit the families of such persons to be supported out of the fund for the relief of the families of volunteers. This is a matter of grave consideration for those men who are enlisting, and have families dependent upon them for support.

The War Department desires the re-enlisted veterans to report without delay to their respective corps now in the field. The Spring campaign will soon open, and the government needs the strong arms and brave hearts of the veterans in the coming combats with the rebels. With these men the fact that there services are required is a sufficient incentive to urge them forward to active duty.

"The Lady's Friend" for March is on our table. It maintains the high character given this new periodical. "The Pet Bird" is a beautiful engraving. A double-fashion plate; the "Chattanooga Grand March" and a number of other fine engravings, to say nothing of the fine tone of the reading matter.—Deacon & Peterson, publishers, Philadelphia. Price \$2 a year.

Provost Marshal Stevens has received orders from the Provost Marshal General to proceed to draft in all sub-districts whose quotas were not filled by the first of March. The draft will take place on Thursday the 10th inst. Districts, however, will be credited with all men enlisted after the 1st, and up to the 10th inst.

The second concert given under the direction of Dr. Worrall, in the M. E. Church on Wednesday evening, was well attended, and, if possible, was more entertaining than the first.

A concert for the benefit of the Presbyterian Sabbath School Library, under the direction of Messrs. William Girod and Henry Wolfe, will be given in the Town Hall on Monday and Tuesday evenings next.

Mr. Geist will open a summer select school on the 14th inst. See his card in another column. It is needless for us to say anything of Mr. G.'s qualifications as a teacher.

All persons interested in the impending draft are requested to meet at the Town Hall, this (Saturday) evening, at 7 o'clock.

Beane & Co. prepare a new thing for the hair. Try it. We have and found it to do all that is claimed for it.

The Soldiers Fair closed on Saturday night last after a week of unprecedented success. From the opening on Monday morning to the closing on Saturday, there was a constant crowd of persons in attendance, all of whom were highly pleased with the Fair and the manner in which it was gotten up and carried out. The ladies worked incessantly and their labor of charity has been crowned with success. The net proceeds of the Fair will, it is thought, foot up the handsome sum of \$12,000.—Lancaster Examiner.

A negro went to the lake in Druid Hill Park, near Baltimore, on Thursday, and killed a half dozen of the beautiful swans placed there for ornament. He says he thought they were wild geese, and he had a right to kill them. He was bringing the entire load to Baltimore to sell, supposing he had captured a splendid prize.

TO THE MARIETTA SCHOOL BOARD:

The following is a correct report of the number of school days each pupil had been absent during the whole session. You will observe that four have been absent only one day, and one present every day—the whole term consisting of 120 days. There has been a remarkable improvement in attendance on former sessions; but the attendance will not be perfect until all attend as those five have. We hope parents will see to this in the future.

Respectfully submitted,
I. S. GEIST.

MAGIC TIME OBSERVERS.
Being a Hunting or Open Face or Lady's or Gentleman's Watch Combined, with Self-Winding Improvement, a most Pleasing Novelty.

ONE OF THE PRETTIEST, most convenient, and decidedly the best and cheapest time-piece for general and reliable use ever offered. It has within it connected with its machinery, its own winding attachment, rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being fine 16 carat gold. It has the improved ratchet action lever movement, and is warranted an accurate time-piece. Price, superbly engraved, per case of half dozen, \$204. Sample Watches, in neat morocco boxes, \$35.

SILVER WATCHES!
First Class Hunting Time-Pieces for accuracy of movement, beauty of material, and above all, cheapness in price, these watches must insure universal approbation.

An imitation so faultless that it can hardly be detected by the most experienced judges.—The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognized by cutting or heavy engraving, making it, not only in appearance, but in durability, the best resemblance of SOLID STERLING SILVER in existence.

The Sale of these Watches in the Army is a source of enormous profit, retailing, as they very readily do, at \$25 and upwards. Many hundred dollars can be made in a single day by any one of ordinary business tact.

AT WHOLESALE ONLY! In heavy hunting cases, beautifully engraved, white enamel dial, and fancy cut hands, in good running order, by the half dozen, \$68. Sold only by the case of six.

Upon receipt of two dollars, as guarantee of good faith, we will send watches by express to any part of the United States, collecting balance of bill on delivery. These watches buyers against fraud, giving them their watches before payment is required.
