13 Parents and Guardians! Fail not to send and obtain this book.

23 Young men! Fail not to send and get this book. Ladies you should at once secure a copy of this book.

A word of solemn conscientious advice to fore the expected period, will positively and those who will reflect. A class of maladies prevail to a fearful extent in the community, dooming at least 100,000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or invariably regulate its coming, as sure as effect follows cause, as sure as daylight follows understood. Their external manifestation, or symptoms are Nervous Debility Rejaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hands and Limbs; aversion to society and to business or study; dimness of eyesight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumbago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the kidneys and other glands of the body, as Leuchorther of Fleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms. Are you sick, enfeebled by disease, or unable to heat the labor and danger of increase?

Now in ninety-nine cases out of every one hundred, all the above named disorders, and a

nost of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesen-terica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practices in treating symptoms only. Have you been afflicted for many years with complaints incident to the sex, that have baffied the skill of physiciaus, and are hurrytreating symptoms only.

Dr. Andrew Stone, Physician to the Troy

Lung and Hygienic Institution, is now engaged in treating this class of modern maladtes with the most astonished success. The treatment adopted by the institution is new; it is based upon teientific principles, with new discovered remedies, without minerals or poisons. A Fortune for All!

NO HUMBUG, but an ENTIRELY NEW NO HUMBUG, but an ENTIRELY NEW thing. Only three months in this country! No clap-trae operation to gull the public, but a genuine money-making thing! Read the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS SOME DAYS! giving instructions in this art. Thousands of Soldiers are making money rapidly at it. No person has to be urged to patronize it. It is a thing that takes better than anything ever before offered. You can make money with it home that takes better than anything ever before offered. You can make money with it home or abroad—on steamboats or railroad cars, and in the country or city. You will be pleased in pursuing it, not only because it will yield a handsome income, but also in consequence of the general admiration which it elicits. It is pretty much all profit. A mere trifle is necessary to start with.

There is scarcely one person out of thousands who ever nays any attention to adver-

sands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do send for instructions will have a broad field to make instructions will have a broad field to make money in. There is a class of persons in this world who think because the have been humbugged out of a dollar or so, that everything that is advertised is a humbug. Consequently they try no more. The person who succeeds is the one that keeps on trying until he hits something that pays him.

This art cost me one thousand dollars, and I expect to make money out of it—and all who

l expect to make money out of it-and all who purchase the art from me will do the same.— One Dollar sent to me will insure the prompt return of a card of instructions in the art.— The money will be returred to those who are not satisfied.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant, but it is a combination of the ex-tracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimu-

lants.

It is well to be forearmed against diseaso, and so far as the human system can be protected by human means against maladies en-gendered by an unwholesome atmosphere, im-pure water and other external causes, HOSTETTER'S BITTERS

may be relied on as a safeguaid.

In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualities in advance, are cured by a very bief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous atkaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Construction superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to nervous attacks, lowness of spirits and lits of lanof Hostetter's Bitters. yous attacks, lowness of spirits and its of lan-gour, and prompt and permanent relief from the litters. The testimony on this point is

most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and

assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound annimocoous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachies of the day.

No family inedictine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetters's Bitters.
