STOMACH BITTERS.

A PURE AND POWERFUL TONIC, Corrective and alternative of wonderful effica Corrective and alternative of wonderful emea-cy in disease of the Stomach, Liver and Bow-els; cures Dyspepsia, Liver Complaint, Head-ache, General Debility, Nervousness, Depicet-sion of Spirits, Constipation, Colic, Intermitten-Fevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness whether inherent in the system or produced by special causes.

by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the compo-sition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fi-ery excitant, but it is a combination of the ex-tracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimu-

It is well to be forearmed against diseaso, and so far as the human system can be protec ted by human means against maladies en-gendered by an unwholesome atmosphere, im-pure water and other external causes,

HOSTETTER'S BITTERS may be relied on as a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who

resort to it under apprehension of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualties in advance, are cured by a very biref course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satu rated with thet descriptions. that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable to-

nic, and hence it works wonders in cases of Dyspensia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperisht, as well as upon the liver, it also invari-ably relieves the Constitution superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to nervous attacks, lowness of spirits and fits of langour, find prompt and permanent relief from the Bitters. The testimony on this point is

most conclusive, and from both sexes.

The agony of Billous Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

Last, but not least, it is The Only Safe Stim-

ulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day. No family medicine has been so universally, and, it may be truly added, describedly popular with the intelligent portion of the community,

COMPOUND FLUID EXTRACT BUCHU, A POSITIVE AND SPECIFIC REMEDY

For diseases of the Bladdar, Kidneys, Gravel, and Dropsical Swellings.

This Medicine increases the power of Digestion, and excites the Absorbents into healthy action, by which the Watery or Colcareous depositions, and all unnatural enlargements are reduced, as well as pain and inflamation.

HELMBOLD'S EXTRACT BUCHU.

For weakness arising from excesses, habits of dissipation, early indiscretion of abuse, at-Indisposition to exertion, Loss of Power,
Difficulty of breating, Loss of Memory, Difficulty of breating, Trembling, Wakefulness, Dimness of Vission. Pain in the Back. Universal lassitude of the muscular system,
Flushing of the body, Hot Hands, Flushing of the body, Hot Hands, Eruptions on the Face, Dryness of the skin, Palid Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follows Impotency, Fatuity, Epileptic Fits, in one of which the patient may expire. Who can say that they are not frequently followed by those "Direlul Diseases,"

"Insanty and Consumption."

Many are aware of the cause of their suffering, but none will confess the records of the

Insane Asylums.

Melancholy deaths by Consumption bear ample witness to the truth of the assertion. The Constitution once effected with Organic weakness requires the aid of medicine to strengthen and invigorate the system, which
HELMBOLD'S EXTRACT BUCHU

in variably does. A trial will convince the most skeptical. FEMALES-FEMALES-FEMALES. In many affections peculiar to females the Extract Buchu is uneaqualed by any other

remedy, as in Chlorosis or Retention, Irregularity, Painfulness or suppression of customa-ry evacuations, Ulcerated or Scirrhous state of the Uterus, Leuchorrhoea or Whites, Sterrility, and for all complaints incident to the sex, whether arising from indiscretion, habits of dissipation, or in the decline or change of life. It causes a frequent desire and gives strength to urinate, thereby removing obstructions, pre-venting and curing Strictures of the Urethra, allaying pain and inflamation, so frequent in the class of diseases, and expelling all poison-ous, diseased and wornout matter.

Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has, by the use of "powerful astringents," been dued up in the system, to break out in an aggravated form, and perhaps after Marriages.

DEGENERACY OF

JUST PUBLISHED BY DR. A. STONE, Physician to the Troy Lung and Hygienic Institute.

A TREATISE on the causes of early Phys ical decline of American people: The cause of Nervous Debility, Consumption and Marasmus. This work is one of high moral tone, written in chaste, yet thrilling language, and appeals direct to the moral consciousness of ALL PARENTS and guardians especially, de tailing scientific and reliable aids and treatment for cure.

It will be sent by mail on the receipt of two three cent postage stamps.

this book. Ladies copy of this book. A word of solemn conscientious advice to

those who will reflect. A class of maladies prevail to a fearful extent in the community, dooming at least 100,000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or symptoms are Nervous Debility Relaxation and Exhaustion. Marasmus or wasting and and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a kill or flight of stairs; great palpitation of the Heart; Astima, Bronchitis and sore Throat; shaking of the Hands and Limbs; aversion to society and to business or study; dimness of eyesight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lum bago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kid-neys and other glands of the body, as Leuchor-rhær of Fleur Albus, &c. Likewise Epilepsy,

Hysteria and Nervous Spasms. Now in ninety-nine cases out of every one shove named host of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesen-terica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of occess on the part of old school practices in

treating symptoms only.

Dr. Andrew Stone, Physician to the Troy
Lung and Hygienic Institution, is now engaged in treating this class of modern mala-dies with the most astonished success. The treatment adopted by the institution is new; it is based upon scientific principles, with new discovered remedies, without minerals or poi-sons. The facilities of cure are such that pa-tients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent by mail or express. Printed interrogato-

ries will be forwarded on application. LF Consumption, Catarrh and diseases of the throat cured as well at the Home of the Patients as at the Institution, by sending the Cold Medicated Inhaling Balsamic Vapors, with inhaler and ample directions for their use, and direct correspondence.

Patients applying for interrogatives or

advice, must enclose return stamps, to meet attention. 程子 The attending Physician will be found at the Institution for consultation, from 9 a. m. to 9 p. m., each day.
