# STOMACH BITTERS.

A PURE AND POWERFUL TONIC, Corrective and alternative of wonderful efficacy in disease of the Stomach, Liver and Bowels; cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depiestion of Spirits, Constipation, Colic, Intermitten-Fevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness whether inherent in the system or produced in disease of the Stomach, Liver and Bow-

whether inherent in the system or produced by special causes.

No. 9. THE FEMALE SAFEGUARD, or OffNothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This, popular preparation contains no mineral of any kind; no deadly botanical element; no fiery excitant, but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

These Remedies are sold in Marietts only by

It is well to be forearmed against diseaso, and so far as the human system can be protected by human means against maladies en-gendered by an unwholesome atmosphere, im-pure water and other external causes, HOSTETTER'S BITTERS

may be relied on as a safeguard.
In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scource; and thousands who neglect to avail themselves of its protective qualsteet to avante, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satu rated with that dangerous alkaloid, are not un frequently restored to health within a few days by the use of Honethers's Riffers.

of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constitution superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to nerorgans. Persons of recoile nant, habie to ner-yous attacks, lowness of spirits and fits of lan-gour, find prompt and permanent relief from the hitters. The testmony on this point is most conclusive, and from both sexes.

Assuaged by a angle dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the Seid elements present more or less us all the

innocuous materiais, and entirely free from the sold elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.
