In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, resort to it under apprehension of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualities in advance, are cured by a very blief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly-saturated with that dangerous alkaloid, are not unifrequently estored to health within a few daysby the use

of Hostetter's Bitters.
The weak stomach is rapidly invigorated and the appetite restored by this agreeable to-nic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apple-rient, as well as upon the liver, it also invari-ably relieves the *Constipation* superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to ner-vous attacks, lowness of spirits and fits of lan-
