RENAN'S LIFE OF JESUS.

A translation of M. Ernest Renan's remarkable work, just issued in Paris, where the excitement and sensation are so great concerning its subject and author, that already thousands of copies of the coulty French edition have been sold. It has been extravagantly praised, and extravagently censured; but its most set the purest and mildest of all diffusive stimulants.

It is well to be forearmed against diseaso, and so far as the human system can be protec-ted by human means against maladies en-gendered by an unwholesome atmosphere, im-pure water and other external causes, HOSTETTER'S BITTERS

may be relied on as a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who ne-glect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satu rated with that dangerous alkafold, are not un frequently restored to health within a few daysby the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated The weak stomach is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless appetient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to nervous attacks, lowness of spirits and fits of lanorgans. Persons of feeble habit, liable to nervous attacks, lowness of spirits and fits of langour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the comulaint may be prevented.

complaint may be prevented.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the

acid elements present more or less in all the ordinary tonics and stomachics of the day. No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.

Impotency, Faturity, Epileptic Fits, in one of which the patient may expire.

Who can say that they are not frequently followed by those "Direfur Diseases,"

"Insunity and Consumption."

Many are aware of the cause of their suffering, but none will contrast the record of the

Alcharcholy deaths by Consumption bear ample witness to the truth of the assertion.

The Constitution once effected with Organic weakness requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU in variably does. A trial will convince the most skeptical. FEMALES—FEMALES.

In many affections peculiar to females the Extract Buchu is uneaqualed by any other remedy, as in Chlorosis or Retention, Irregulanty, Painfuiness or suppression of customary evacuations, Ulcerated or Scirrhous state of the Uterus, Leuchorrhoea or Whites, Sternlity, and for all complaints incident to the sex whether arising from indiscretics, bubbs. sex, whether arising from indiscretion, babits of dissipation, or in the decline or change of life.
