HOSTETTER'S CELEBRATED STOMACH

 ${f BITTERS}$ A PURE AND POWERFUL TONIC, Corrective and alternative of wonderful effica-

Corrective and alternative of wonderful efficacy in disease of the Stomach, Liver and Bowels; cures Dyspepsis, Liver Complaint, Headache, General Debility, Nervousness, Deptest sion of Spirits, Constipation, Colic, Intermitten-Fevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness whether inherent in the system or produced by special causes.

Nothing that is not wholeseme, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant, but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against diseaso and so far as the human system can be protec-ted by human means against maladies en-gendered by an unwholesome atmosphere, im-pure water and other external causes, HOSTETTER'S BITTERS

may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly-satu rated with that dangerous alkaloid, are not un frequently estored to health within a few daysby the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated

of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Peisons of feeble habit, liable to nervous attacks, lowness of spirits and fits of langour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

complaint may be prevented.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and mann, being manufactured from sound and innocuous materials, and entirely fice from the acid elements present more or less in all the ordinary tonics and stomachies of the day.

No family unclicious has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
