A PURE AND POWERFUL TONIC,
Corrective and alternative of wonderful efficacy
in disease of the Stomach, Liver and Bowels;

Nothing that is not wholesome, genial and
restorative in its nature enters into the composition
of Hostetter's Stomach Bitters. This
popular preparation contains no mineral of
any kind.

It is well to be forewarned against disease,
and so far as the human system can be protected
by human means against maladies induced by
an unwholesome atmosphere, impure water and
other external causes,

It has been found infallible as a preventative and
irresistible as a remedy, and thousands who
resort to it under apprehension of an attack,
escape the scourge; and thousands who neglect
to avail themselves of its protective qualities
