Marietta, Saturday, July 16, 1864.

A few days since we received a letter from Porter Copp of this borough, now attached to Co. K. 45 P. V. V., and stationed near Petersburg. Porter was in the battle of Cold Harbor, in which, he says, this company behaved so bravely and was so dreadfully cut up—their Captain was wounded three times and Lieutenant Gailbaugh was also wounded. Porter very patriotically says: "I have been in five fights, but, thank God, I am still unhurt, and ready and willing to dash in again in defense of the glorious stars and stripes. I wish we had some of the Marietta Copperheads to place them in our front that they might be near their rebel friends." Porter speaks enthusiastically of the bravery of their Colonel (Curtis) and says when the color guard was shot down he picked up the colors and planted them again himself and was wounded in so doing. He says the Forty-Fifth is called "Burnside's Bull Dogs" because they go and do whatever is required of them.

We understand a great nuisance was perpetrated in our Town Hall Park a few days since, by an officer of the borough. One of the returning refugees had the misfortune to lose a very fine horse from cholera; he was taken to the park to be allowed to roll, &c., and died there. It is said a couple of dollars were left to have him dragged out of town and buried, and instead of using the money in that way, a hole was dug in the park, the horse legs cut off and the body tumbled into the hole. We do think this was perpetrating an inexcusable nuisance and we do hope the chief burgoes will have the horse exhumed, removed and the place sodded as before. Such conduct as this from a borough officer is highly reprehensible.

From Saturday until Thursday noon, the "martial drum and fife" resounded through our streets, drumming up "Hundred Days Men." Charles R. Grosh, son of Mr. C. P. Grosh, of the "First Pennsylvania Reserves" started a company and by Wednesday evening succeeded in getting up the complement and at noon on Thursday they took the care for Harrisburg. Through the liberality of some of our citizens, over two thousand dollars were raised as a local bounty. Capt. Grosh will furnish us with a list of officers and men for publication, as soon as mustered in. We also learn that the Borough Council has agreed to furnish the residue over and above the subscription raised, to insure an individual bounty of fifty dollars to each volunteer; for once, our borough has shown a liberality in the matter of bounty. The boys have adopted the title of "S. B. Thomas Rifles," a compliment to Col. Bagle's late company.

The "over-the-river refugees" are returning to their homes. During Monday, Tuesday, Wednesday and Thursday the crowds of "returners" were so great that an additional ferry company, composed of Henry S. Libhart, Jacob Songmaster, John Kane, etc., "started-in" and all the ferries kept very busy.

Dr. Patrick Cassidy died in the City of Lancaster, on Tuesday evening last, at the age of 54. Dr. C. was unmarried, and at the time of his death, was examining surgeon of the board of enrollment of this district. He stood high as a physician and a loyal gentleman of the Douglas type.

A son of Rev. Mr. Gamble, of Philadelphia, aged five years, had his nose entirely bitten off by a large dog with which he was playing on the 4th of July, at the house of a Mr. Himes, near the Gap, in this county, where Mr. G.'s family was on a visit. The brute snapped the child's nose off and let it drop in the garden walk.

An Ear-Ring was lost on Saturday last, somewhere between the town hall and Col. J. W. Clark's residence. The ring is highly prized by the owner on account of being composed of the hair of a deceased sister, and would be of very little value to the finder. See advertisement in another column.

William F. Armstrong, son of Andrew Armstrong, of East Donegal township, who was wounded in the battles before Petersburg, and since died of his wounds, was brought to the residence of his parents and buried in the Donegal burying ground.

Hon. Thaddeus Stevens arrived at his home in Lancaster, on Friday last and was serenaded in the evening by the Union League Band. He made a short speech returning thanks for "the welcome home." He is said to be looking very well for his age.

Wm. Carpenter, of Lancaster, purchased what has long been known as "Burrows farm," containing 27 acres from Samuel Evans, Esq., for \$9. It is at the outskirts of Lancaster, Philadelphia pike.

The County Commissioners offer a bounty to every recruit for the "Hundred Days Call," of Fifty dollars. Lancaster county is to furnish 964 recruits, as her quota of that call.

Rev. Dr. Castle, P. E., will preach at the M. E. Church, on Sunday (to-morrow evening) at 6 o'clock.

The "Old Soldier"—Capt. S. D. Miller—has composed a patriotic ballad which will appear in our next.

SPECIAL NOTICES. A number of years have elapsed since the introduction of Hostetter's Celebrated Bitters to the public. The prejudice existing in the minds of many persons against what are denominated patent medicines at first retarded its sale; but as its virtues and merits became known, this barrier of prejudice was overwhelmed, and the demand increased so rapidly that in a few years scarcely a village existed in the United States in which the afflicted had not experienced the benefits arising from the use of the "Bitters," and at the present day there are to be found, in all parts of the world vouchers for the great merits of the article. No greater cure for Dyspepsia can be found. See advertisement. For sale by Druggists and Dealers generally.

A CANDID STATEMENT. You can procure any of our Drugs in this city and vicinity, Dr. Tobias' Venetian Liniment. As for cramp, it has saved hundreds; we have the certificates to prove it. Office, No 56 Cortlandt street, New York. Sold by all Druggists.

Diarrhoea and Disentery will decimate the volunteers far more than the bullets of the enemy, therefore let every man see to it that he carries with him a full supply of Holloway's Pills. Their use in India and the Crimea saved thousands of British soldiers. If the reader of this "notice" cannot get a box of Pills or Ointment from the drug store in his place, let him write to me, 50 Maiden Lane, enclosing the amount, and I will mail a box free of expense. Many dealers will not keep my medicines on hand because they cannot make as much profit as on other persons' make. 35 cents, 88 cents, and \$1.40 per box or put. [213]

FRIENDS AND RELATIVES of the brave SOLDIERS & SAILORS. HOLLOWAY'S PILLS & OINTMENT. ALL WHO HAVE FRIENDS AND RELATIVES in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Weakness and Debility induced by OVER FATIGUE. Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system.

For Wounds either occasioned by the Bayonet Sabre or the Bullet, Sores or Bruises, To which every Soldier and Sailor are liable these are no medicines so safe, sure and convenient as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then cover it with a piece of linen from his knapsack and compressed with a handkerchief.

IMPORTANT CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK and LONDON" are discernible as a Water-mark in every leaf of the book of directions, around each pot or box; the same may be plainly seen by holding the leaf to the light.

U. S. 10-40 BONDS.

These Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are received in United States notes or notes of National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government; at any period not less than ten months nor more than forty years from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and on all other Bonds semi-annually. The interest is payable on the first days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's order. Coupon Bonds are payable to bearer, and are more convenient for commercial uses. Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—(or in United States notes, or the notes of National Banks, adding fifty per cent. for premium) or receive them drawing interest from the date of subscription and deposit. As these Bonds are Exempt from Municipal or State Taxation, their value is increased from one to three per cent. per annum, according to the rate of tax levies in various parts of the country.

Over Eight Per Cent Interest in currency, and are of equal convenience as a permanent or temporary investment. It is believed that no securities offer so great inducements to lenders, as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is held to secure the payment of both principal and interest in coin. These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Federal Debt of the United States on which interest is payable in gold, on the 31 day of March, 1864, was \$768,965,000. The interest on this debt for the coming fiscal year will be \$45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been set at the rate of over \$100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of the gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United State Treasury until March 26, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by the First National Bank of Philadelphia, Pa. Second National Bank of Philadelphia, Pa. Third National Bank of Philadelphia, Pa. And by all National Banks which are depositaries of Public money, and all RESPECTABLE BANKS & BANKERS throughout the country, (acting as agents of the National Depositary Banks,) will furnish further information on application and AFFORD EVERY FACILITY TO SUBSCRIBERS.
