We think the machine much more than pays for itself every year in the saving of garments! There are several kinds, nearly alike in general construction, but we consider it important that the Wringer be fitted with Uogs, otherwise a mass of garments may core logs, otherwise a mass of garments may crog the rollers, and the rollers upon the crank shaft slip and tear the clothes, or the jubber break loose from the shaft. Our own is one of the first make, and it is as good as new after nearly four years constant use."

On the radical cure (without medicine) of Spermatorrhoza, or Seminal Weakness, Invol-untary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also Consumption, Epilepsy, and Fits, induced by self-indulgence or sexu-

al extravagance. Price, in a Scaled Envelope, only Six Cents.
