HOSTETTER'S **CELEBRATED**

STOMACH ${f BITTERS}.$

A PURE AND POWERFUL TONIC, Corrective and alternative of wonderful effica corrective and alternative of wonderfur induced in disease of the Stomach, Liver and Bowels; cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittenfevers, Cramps and Spasms, and all complaints of either sex, arising from bodily weakness whether inherent in the system or produced to the special gauges.

by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of popular preparation contains no initial or any kind, no deadly botanical element; no fi-ery excitant, but it is a combination of the ex-tracts of more balsamic herbs and plants with the purest and mildest of all diffusive stimu-

It is well to be forearmed against diseaso, and so far as the human system can be protected by human means against maladies en gendered by an unwholesome atmosphere, im pure water and other external causes,

HOSTETTER'S BITTERS may be relied on as a safeguaid.

In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect ro avail themselves of its protective qualties in advance, are cured by a very bief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satu rated with that dangerous alkaloid, are not unfrequently restored to health, within a few daysby the use of Hostetter's Bitters.

of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable to-nic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to nervous attacks, lowness of spirits and fits of lan-gour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assusged by a single dose of the stimulant, and by occasionally resorting to it, the return of the

complaint may be prevented.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the

innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day. No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Patent Air Circulating Refrigerators. It is an acknowledged fact that articles of food placed in a sufficiently cold atmosphere, free from moisture and damp air, can be ef-fectually preserved for indefinite periods during the warmest weather. These Refrigera-tors are the only ones manufactured that can accomplish that object. No air from the ice is admitted to the preserving chamber, but a dry cold atmosphere is created in it, by circulating cold air around and outside of it.

Meats, Fish, Milk, Fruits, &c., are preserved in a fresh and natural state for as long as may be required, with a consumption of one third less ice than any other Refrigerator made. They are undoubtedly the best ever introduced.

For Farmers and Families residing in cities, or the country, they are introduced.

PARTICULAR NOTICE. There are many preparations soid under the name of Bitters, put up in quart bottles, compounded of the cheapest Whiskey or common Rum, costing from 20 to 40 cents per gallon, he taste disguised by Anise or Curiander seed. This class of Bitters has caused and will con inue to cause, as long as they can be sold, aundreds to die the death of a drunkard. By their use the system is kept continually under the influence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors attendent upon a drunkerd's life and death. Be-

tendant upon a drunkard's life and death. Be-ware of them.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrast of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the bencfit of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson because I was prejudized against them for a number of years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Rob't Shoemaker, esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long debility. The use of three bottles of these bitters, at the bcginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which 1 had not felt for six months before, and had almost dispaired of reganning. I therefore thank God and my friend for directing me to the use of them.
